~~Unit C - Differentiating Grade 7 Science~~
The science program I run in grade 7 is very hands on and interactive, but it is also very demanding. I look at grade 7 as the year in which students need to start thinking about high school. They practise doing more difficult work and tests now, so that if it doesn't go well they can adapt their behaviours in grade 8, so that the time they get to grade 9 they have sorted things out and are ...
