The CBSE has
Page 99/188

made certain changes in the assessment structure from the session 2019-20 onwards. In the new scheme of examination, CCE and term system has been replaced with the Internal

Assessment & Single Annual Exam by CBSE itself. Single exam conducted by CBSE will carry 80 marks whereas 20 marks are left to the schools for internal assessment.

CBSE has issued

Page 101/188

detailed
guidelines on
how the
internal marks
will be divided
among different
activities.

From 2019
onwards, there
will be
internal
choices in
board

examinations
with increased
internal
options in the
question paper.
Considering
this change,
now a student
has to prepare
accordingly for
board
examinations.

The new
