The Mercury 115
FourStroke is quieter
than a competitive
115hp four-stroke
across the rpm band.

Page 37/125

At idle, the Mercury is four decibels quieter than the competition – the competitive outboard is 25% louder. At cruising speed, where normal conversations occur, the competitive outboard generates almost 15% more noise.

The Mercury 115
FourStroke is quieter
than a competitive
115hp four-stroke
across the rpm band.

Page 109/125

At idle, the Mercury is four decibels quieter than the competition – the competitive outboard is 25% louder. At cruising speed, where normal conversations occur, the competitive outboard generates almost 15% more noise.
