A New York Times cookbook best-seller. Nom Nom Paleo is a visual feast, crackling with humor and packed with stunningly photographed step-by-step recipes free of gluten, soy, and added sugar. Designed to inspire the whole family to chow down on healthy, home-cooked meals, this cookbook compiles over 100 foolproof paleo recipes that demonstrate how fun and flavorful cooking with wholesome ingredients can be. And did we mention the cartoons? Nom Nom Paleo kicks off with a fresh introduction to Paleo eating, taking readers on a guided tour of author Michelle Tam's real-food strategies for stocking the kitchen, saving time, and maximizing flavors while maintaining a Paleo lifestyle. Also, sprinkled throughout the book are enlightening features on feeding kids, packing nutritious lunches, boosting umami, and much more. But the heart of this book are Michelle's award-winning primal Paleo recipes, 50 percent of which are brand-new --- even to diehard fans who own her bestselling iPad cookbook app. Readers can start by marrying their favorite ingredients with building blocks like Sriracha Mayonnaise, Louisiana Remoulade, and the infamous Magic Mushroom Powder. These basic recipes lay the foundation for many of the fabulous delights in the rest of the book including Eggplant "Ricotta" Stacks, Crab Louie, and Devils on Horseback. There's something for everyone in this cookbook, from small bites like Apple Chips and Kabalagala (Ugandan plantain fritters) to family-sized platters of Coconut Pineapple "Rice" and Siu Yoke (crispy roast pork belly). Crave exotic spices? You won't be able to resist the fragrant aromas of Fast Pho or Mulligatawny Soup. In the mood for down-home comforts? Make some Yankee Pot Roast or Chicken Nuggets drizzled with Lemon Honey Sauce. When a quick weeknight meal is in order, Nom Nom Paleo can show you how to make Crispy Smashed Chicken or Whole-Roasted Branzini in less than 30 minutes. And for a cold treat on a hot day, nothing beats Paleo-diet-friendly Mocha Popsicles or a two-minute Strawberry Banana Ice Cream. Eating healthy doesn't mean sacrificing flavor. This book gives you "Paleo with personality," and will make you excited to play in the kitchen again.

Eat vegan--for less! Between low-paying jobs, car troubles, student loans, vet bills, and trying to pay down credit card debt, Toni Okamoto spent most of her early adult life living paycheck to paycheck. So when she became a vegan at age 20, she worried: How would she be able to afford that kind of lifestyle change? Then she discovered how to be plant-based on a budget. Through her popular website, Toni has taught hundreds of thousands of people how to eat a plant-strong diet while saving money in the process. With Plant-Based on a Budget, going vegan is not only an attainable goal, but the best choice for your health, the planet--and your wallet. Toni's guidance doesn't just help you save money--it helps you save time, too. Every recipe in this book can be ready in around 30 minutes or less. Through her imaginative and incredibly customizable recipes, Toni empowers readers to make their own substitutions based on the ingredients they have on hand, reducing food waste in the process. Inside discover 100 of Toni's "frugal but delicious" recipes, including: • 5-Ingredient Peanut Butter Bites • Banana Zucchini Pancakes • Sick Day Soup • Lentils and Sweet Potato Bowl • PB Ramen Stir Fry • Tofu Veggie Gravy Bowl • Jackfruit Carnita Tacos • Depression Era Cupcakes • Real Deal Chocolate Chip Cookies With a foreword by Michael Greger, MD, Plant-Based on a Budget gives you everything you need to make plant-based eating easy, accessible, and most of

Over 100 gluten-free, grain-free, and dairy-free recipes based on the popular Primal Gourmet blog, fully endorsed by Whole30. Ronny Joseph Lvovski struggled with a lifetime of obesity, failed diets, and low self-esteem before discovering the Paleo diet. Once he eliminated grains and dairy from his diet, his allergies, asthma, upset stomachs, headaches, back pain, lethargy, excess weight, and cravings disappeared. After losing 40 pounds, Ronny set out to create gourmet-quality meals that followed Paleo guidelines and left him feeling satisfied. He shared those recipes on his Primal Gourmet blog, and became one of the most popular contributors to the @whole30recipes Instagram account. The Primal Gourmet Cookbook, Ronny's first cookbook, is fully endorsed by Whole30 and includes a foreword by Whole30 co-creator Melissa Urban. The cookbook includes more than 120 recipes, with blog fan-favorites plus all-new dishes such as Mojo Loco Chicken Wings, Short Rib Ragu, Jerk Ribs, and Moroccan Lamb Stew, proving healthy diets really can be delicious.

The 30-Day Vegetarian Diet blends American cooking with Asian vegetarian concepts. Of course this diet is meatless, but fish, eggs and dairy are allowed. The diet is a Pescetarian version of vegetarianism and features delicious, low calorie, nutritionally balanced vegetarian meals. This eBook actually contains two 30-day diets: a 1,500 Calorie diet, and for even faster weight loss a 1,200 Calorie diet. And both diets have a meal plan (menu) for each and every one of the 30 days. On the 30-Day Vegetarian Diet, most women lose 10 to 15 pounds - depending on whether the 1,500 or 1,200 Calorie diet is selected. Smaller women, older women and less alive women will lose a bit less and larger women, younger women and more active women often lose more. Most men lose 15 to 20 pounds. Smaller men, older men and less active men will lose a bit less and larger men, younger men and more active men often much more. Many health-care professionals think eating a healthy vegetarian diet is one of the best things you can do for your short-term and long-term health. So lose weight the healthy way. Go vegetarian! Clean Paleo One-Pot Meals makes living the paleo lifestyle quick and delicious with 100 mouth-watering and family-friendly recipes that are uncomplicated in both time and preparation. Do you want to cook healthy meals but feel overwhelmed in actually accomplishing it? You start with good intentions but by dinnertime you are tired, out of time, uninspired, and just ready to be done with the day. All of your big Instagram-worthy meal plans have flown out the window. Who has time to spend two hours in a hot kitchen chopping, simmering, and then cleaning up? Fast food doesn't have to be junk food. Healthy food doesn't have to be complicated or weird. Christina Shoemaker of the beloved blog The Whole Cook proves both in this gorgeous cookbook. You'll find immense satisfaction in tossing meat and vegetables on a sheet pan and letting it roast or simply throwing all your ingredients into a soup pot to simmer and serve in 30 minutes. Clean Paleo One-Pot Meals will help you live the paleo lifestyle without living in your kitchen. Drop the Wheat, Drop the Weight My husband and I discovered this while doing some research for some friends of ours who have celiac disease. We were surprised to learn how strict their diet had become after they were diagnosed. I love to cook and often cook for my friends, but cooking gluten-free was a new challenge. So I dropped the wheat and decided to go gluten-free myself as moral support. One month in following the gluten-free diet and my husband tells me, "Honey, you've never looked better. Did you lose weight?" You can imagine how shocked I was when I stepped on the scale and found out that I've lost more weight going gluten-free than following any other diet. I knew I couldn't keep this information to myself, so I wrote this book to pay it forward.Let me introduce to you, Gluten-Free for BeginnersHere's what you'll get with when you buy this book:An Overview of What You Need to Know About GlutenIf you've ever looked into following a gluten-free diet, then you've probably come across the overwhelming amount of information there is available. I've done the research and simplified it for you to save you time.My 30 Favorite, Simple and Delicious Gluten-Free Recipes to Lose Weight, Gain Energy and Feel AmazingYour time is valuable. Every recipe I've included is incredibly simple to follow, requires little time and effort to make and still tastes absolutely amazing. These recipes so delighted our friends that they always ask for seconds when I cook for them! I'm sure you'll love them as much as they have.A Gluten-Free Food Guide to Make Following the Diet EasyShopping for groceries is hectic enough. Imagine walking through the baking aisle, pulling out a bag of Amaranth Flour and examining the label to see if it's gluten free (It is!). Now imagine doing that for each aisle you walk through over and over again. No one has time for that and I don't want you to be stopping at each aisle wondering if what you have in your hand is gluten-free.It should be remembered that the gluten-free diet is not the only method for losing weight. Many diets claim to do that. In fact, many of these diets also incorporate a lot of unhealthy processed foods in their meal plan. When it comes to preparing meals, my main focus is to cook the most nutritious and delicious foods I possibly can for my family and friends. Cooking gluten-free happens to be welcome bonus to ensure that my gluten-sensitive friends don't feel left out at dinner parties. I know you will love these healthy, flavorful and simple recipes, so click the buy now button and you can start reading immediately.Lots of Love,-Hailey Hudcova

One of the most pressing topics today is the topic of nutrition. Book and magazine pages take descriptions of diets--the most, most! Some claim that only eating large amounts of meat opens the way to real health, others urge to give it up completely and ask us to eat only vegetable food. Still, others claim that only fasting can save from all diseases. It is not surprising if such inconsistent information from an inexperienced reader is head spinning. And this is at best. The most gullible pay with health.Our ancestors, who always realized the importance of nutrition, left us with the wisdom of life: "Man is what he eats." We stay healthy as long as we provide our body with essential nutrients. Many people feel an indistinct discomfort, but this is regarded as something insignificant, not a reason to visit the doctor. Malaise, they believe, can be simply wished away. Well, it can be caused by malnutrition, which is caused by a lack of or an excess of nutrients. The restructuring of nutrition, taking into account the individual characteristics of the organism, helps to improve the general condition and purposefully overcome the manifestations of many chronic diseases. At the same time, the most persistent achieve amazing results!In this book, we will talk about the importance of nutrition for health, about what should be healthy food, as well as about what should be a perfectly functioning digestive apparatus, able to fully process incoming food. And if you, having read this book, realize that one of the most important, indispensable conditions for good health are good nutrition and healthy eating habits, and then, taking advantage of Dr. (author's name here) invaluable advice, you will be able to solve many health problems on your own. The guarantee of this is my personal experience in nutrition.

Use These Guidelines Of Super Healthy Food Consumption And Start Treating Your Body How It Deserves Today! Nature gifted us her most valuable resources and we should value them as they are, without trying to transform them. For many years, humans lived on the natural nutrients that nature provides us with, but unfortunately, only in the last century food experiments were conducted and implemented to produce crazy amounts of food. Today, it's increasingly harder to find an ingredient that has naturally grown under the sun. Instead, the food industry giants are continually looking for cheaper ways of producing more and more food for larger profits thus introducing many artificial ingredients into our food. What does this mean for us? The sad thing is that, as our schedules become tighter and tighter, most of us are opting for empty-calorie, ready-to-eat foods from these food giants that only require to be popped in the microwave for 3 minutes and voila! Dinner is ready! Should the ever-increasing cases of lifestyle diseases such as cancer, diabetes, heart diseases, and the like then come as a surprise to us? I will tell you with certainty, NO! If we all stop just for a few seconds and pay attention to what our bodies are saying and respect that, only then will we understand that our bodies need real food to function and heal. This is where the whole food diet comes in; healthy living is a lifestyle and starting with the whole food diet is the first step to success. When undertaking the whole food diet, you should emphasize on dark green leafy veggies, plant obtained foods and other natural foods that have undergone zero or minimal processing. We are going to look at the whole food diet approved foods, complete with over 100 healthy whole food recipes in this guide. With the popularity of this diet, what's your excuse for not giving it a shot? Is it the cost, being too busy to make any diet work or the fact that you have a raging sweet tooth? We've all been here so I totally get it. But, with a lot of determination and some planning and keeping things simple, the whole food diet is totally possible. We are going to look at some delicious recipes made using every day healthy ingredients so don't worry about cost or using too much time cooking. When it comes to all the functions within your body, it all starts with food. So, let's get started! Delicious and healthful recipes from the popular blog TheWholeSmiths.com-fully endorsed by Whole30 As fans of the Whole30 know, it can be challenging to figure out how to eat for the other 335 days of the year. Michelle Smith, creator of the blog The Whole Smiths, has the answers. This cookbook, the first ever fully endorsed and supported by Whole30, offers a collection of 150 recipes to keep Whole30 devotees going strong. Many recipes like Spaghetti Squash Chicken Alfredo are fully Whole30-compliant, and all are gluten-free, but you'll also find recipes with a careful reintroduction of grains, like the tortillas in the Chile Enchilada Bake. Some recipes include beans and legumes, so there are plenty of vegetarian options. There are even desserts like Chocolate Chip and Sea Salt Cookies! Throughout the book, icons help readers identify which recipes fit their dietary constraints (and which are easily adaptable), but perhaps most important of all, the recipes are a delicious way to help anyone achieve a long-term approach to good health.

The 30 Day Whole Tasty Food Challenge, With Over 100 The Most Delicious Recipes for The Whole Family Honestly speaking, the fundamental concept of the Whole30 diet actually dates back to the early 2009 when this diet was first introduced to the world by medicinal practitioners named Mellissa Hartwig and Dallas Hartwig. The core aim of a Whole30 Diet is to simply reset the whole nutritional infrastructure of your body by putting it through a 30 days session of strict diet that helps to put an end to unhealthy eating habits.This systemic reset will seamlessly allow your body to re-invigorate the metabolic, digestive and defensive mechanism of the body and in turn, make the whole body much healthier in the long run. 30 Delicious Ketogenic Dinners Made Simple \*\* FLASH SALE + FREE BONUS, GET IT FAST! \*\* Join the #1 global weight loss diet today with this fantastic 30-day ketogenic main meals cookbook. Do you love food but hate what it does to your body? Do you want to lose weight, but hate sticking to diets? Well, you're in the right place, because with the keto diet you CAN have your cake and eat it! The Science Behind Weight Loss Your body normally converts carbohydrates to glucose for energy. By limiting your intake and replacing it with fats, your body enters a state of ketosis. Here your body produces ketones created by a breakdown of fats in the liver. Without carbohydrates as your primary source of energy your body will turn to the ketones. This effectively cranks up the fat burning furnace and puts your body in the ultimate metabolic state. 30 High-Fat, Low-Carb Mains Recipes Packed into this powerful little cookbook are 30 of the most delicious ketogenic dinner recipes ever created. These simple, sumptuous meals will have you looking forward to every meal without a trace of guilt. Finally, a diet you can enjoy! Nutritional Information Included Unlike other recipe books, ours includes an exact calorie count broken down into fat, carbs and protein to ensure you stay on track for your goals. It's up to you if you want to use this or simply enjoy the meals, but it's nice to know it is there if you need it. Finally, a Diet you can Enjoy! Forcing yourself to eat bland, uninspired meals is not a long-term solution to obtaining a healthy body. You will be more likely to relapse or even abandon your diet altogether. The ketogenic cookbook rekindles your love for food, meaning you will look forward to your every meal. When you enjoy what you are eating the results come easy! The Best Simple Recipes offers more than 200 full-flavored easy-to-prepare recipes that can be on the table in 30 minutes or less in an easy-to-read paperback format. Just because time is short, it doesn't mean you have to settle for a can of soup or a sandwich for dinner, or making one of the many boring and flavorless fast recipes (which often aren't even as fast as they promise). Our test cooks have created more than 200 recipes that keep the ingredients and cooking time to a minimum and offer tons of flavor and plenty of variety. By combining steps, minimizing pans, and employing a little test kitchen trickery, our test cooks have made naturally fast recipes even faster, and they've made recipes that traditionally take hours ready for the table in half an hour. And while they used a minimum of ingredients, one thing they didn't minimize was flavor. Eating healthy is the secret to maintaining a healthy weight, blood sugar, blood pressure, as well as hormones. Unfortunately, many people live fast-paced lives thus they don't have time to prepare their own meals. Having said this particular dilem-ma, how can people still eat healthy? The answer is the Instant Pot. With this book, you will be able to learn how to make healthy and delicious meals made from whole food ingredients. There are so many diet regimens that promise people to lose weight. But before you even aim to lose weight, it is important that you aim for a healthier body. After all, weight loss does not necessarily indicate good health. So instead of losing weight, you should aim for a healthier body and this can be achieved by following the Whole foods 30 Program. The marriage of the Whole foods 30 Program and Instant Pot cooking is a great way for people to eat healthy food without the need to spend too much in the kitchen. The Instant Pot is a nifty kitchen device that allows you to cook food faster without sacrificing the quality of your meals. Let this book serve as your guide on how to prepare meals in the Instant Pot made from whole food ingredients.
