Jane's All the World's Aircraft

- How many officers do we need? - Are we efficiently using the ones we have? - Is there a relationship between the number of officers we have and our crime rate? - What's the status of our patrol car fleet? - Are citizens satisfied with our work? - What's the cost of our special programs and what are the actual benefits? Big questions that demand solid answers! This book will help you provide them! Easy to understand and designed to help top administrators use actual current information and calculations to make the kinds of informed decisions that make agencies run smoothly, efficiently and economically. You'll get step-by-step guidance on: - Evaluating whether overtime is necessary and effective - Drafting and maintaining a realistic, successful budget - Creating smart, efficient workload distributions - Analyzing cost effectiveness of special departmental programs - Learning to forecast crime...and prepare to combat it.

The Kenya Gazette is an official publication of the government of the Republic of Kenya. It contains notices of new legislation, notices required to be published by law or policy as well as other announcements that are published for general public information. It is published every week, usually on Friday, with occasional releases of special or supplementary editions within the week.
