7 Things He'll Never Tell You But You Need To Know

7 Things He'll Never Tell You Studies reveal that about 50 percent of those who marry today will end up divorced. And of the other 50 percent who stay together, only half of those are satisfied with their relationship. No wonder the average marriage lasts only seven years.

7 Things He'll Never Tell You | Marriageins

You can't wait to never have to say good night and drive off to separate locations ever again. You envision romantic evenings together, wrapped in each other's arms, in front of the fireplace of your very own home. Once the wedding is over, you concentrate on living life together.
