The history of the world, in common parlance, is the history of humanity (or human history), as determined from archeology, anthropology, genetics, linguistics, and

other disciplines; and, for periods since the invention of writing, from recorded history and from secondary sources and studies.

A History of the World | Harvard University Press
A History of the World was a major series for the BBC and this is the tie in book, written by Andrew Marr. The series had eight episodes, and this book has eight substantial chapters, It has the broad brushstrokes of history with lots of details, but not all the minutiae that you would expect from a detailed book on a particular time.

A History of the World in 10½ Chapters is a novel by Julian Barnes published in 1989. It is a collection of short stories in different styles; however, at some points they echo each other and have subtle connection points. Most are fictional but some are historical.

A History of the World in 10½ Chapters - Wikipedia
Although it is aged around the edges, History of the World is one of my favorite comedies. Admittedly, I have a good 100 in my "favorites" list, but HotW is definitely in the top 25. It is pure enjoyment and while sometimes raucous, it is never raunchy.
