A Once and Future Love: a time travel
romance. England, 2014. When Richard
Lambert's beloved wife dies, he thinks he
will never find love again. Until, while
exploring a medieval tower, he falls from
the steps—and into another time... England,
1214.

A Once and Future Love: a time travel
romance by Anne Kelleher

"A Once and Future Love is a passionate
time travel romance that is based on a
love that flows forever. Both incarnations
of Richard are fabulously drawn, but
especially intriguing is the modern day
soul coping with the loss of a loved one.

Kelleher's novel [is] a spectacular Medieval romance with a time-traveling twist."
