

A Pictorial History Of Chinese Architecture A Study Of The Development Of Its Structural System And The Evolution Of Its Types

History of China - Wikipedia

The history starts in the 1800s with the unequal treaties forced on China by Western nations and ends with the late 1970s Republic of China's foreign affairs. Each group of pictures is accompanied by a synopsis for the group. Then some detailed information is provided for each picture. Most of the pictures are black and white photographs.
