Sometimes when we worry about something, it feels like we're the only ones - and that makes us even more worried! But really, everyone worries about something from time to time. Sometimes the worries are about big things, like an argument with a friend, taking an important test, or having to perform in front of a crowd; and sometimes the worry is about smaller things like having a bad hair day or saying something embarrassing. But regardless of what the worry is about, it never feels fun to worry! This book will help you put a stop to worrying as soon as it starts. Take interesting quizzes to discover more about yourself and the things that concern you, and get great tips and tricks for creating a sense of calm. Plus, read some really helpful advice from girls just like you who found a way to relax their worries. The whole book is packed with techniques for handling worry, creating confidence, and inspiring you to be the girl you're meant to be.

Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers' Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, New Kid is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real. From award-winning author-illustrator Jerry Craft, Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. New Kid is a selection of the Schomburg Center's Black Liberation Reading List. Plus don't miss Jerry Craft's Class Act!

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES! Everyone is talking about A Good Girl's Guide to Murder! With shades of Serial and Making a Murderer this is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, Good Girl, Bad Blood! Growing up on the rough streets of Newark, New Jersey, Rameck, George, and Sampson could easily have followed their childhood friends into drug dealing, gangs, and prison. But when a presentation at their school made the three boys aware of the opportunities available to them in the medical and dental professions, they made a pact among themselves that they would become doctors. It took a lot of determination—and a lot of support from one another—but despite all the hardships along the way, the three succeeded. Retold with the help of an award-winning author, this younger adaptation of the adult hit novel The Pact is a hard-hitting, powerful, and inspirational book that will speak to young readers everywhere.

Had enough of that brizzz! Feeling alone in a new city? Dealing with the trauma of the worst breakup ever—with someone you never even made out with? We've heard the path to fulfillment has much to do with relationships. But while it's often thought that for young women, it's all about finding the right man, real women beg to differ. It's friendships that are at the heart of happiness. Unfortunately, they're also at the heart of drama, stress, and sometimes not-so-great escapades after that fifth martini. And, technology, from texting to Facebook, has made all friendships more complicated than ever. At last comes The Friendship Fix, jam-packed with practical ways to improve your life by improving your circle. From dealing with friends-with-benefits to coworkers from the dark side, from feeling alone to being desperate to defriend a few dozen people, Andrea Bonior, Ph.D. helps you make the most of your friendships, whether they be old, new, online, or in person.

Offers girls help dealing with backstabbing, bullying, betrayal and other tough friendship problems through advice, quizzes, tips, and accounts of girls who have overcome their differences and strengthened their friendship.

From the author of the National Book Award nominee A TANGLE OF KNOTS comes an inspiring novel about figuring out who you are and doing what you love. Albie has never been the tallest. Or the best at gym. Or the greatest artist. Or the most musical. In fact, Albie has a long list of the things he's not very good at. But then Albie gets a new babysitter, Calista, who helps him figure out all of the things he is good at and how he can take pride in himself. A perfect companion to Lisa Graff's National Book Award-nominated A Tangle of Knots, this novel explores similar theme in a realistic contemporary world where kids will easily be able to relate their own struggles to Albie's. Great for fans of Rebecca Stead's *Liar and Spy*, RJ Palacio's *Wonder* and Cynthia Lord's *Rules*. Praise for Lisa Graff's novels Tangle of Knots (nominated for a National Book Award) "Combining the literary sensibility of E. B. White with the insouciance of Louis Sachar, Graff has written a tangle that should satisfy readers for years to come."--Booklist, starred review Double Dog Dare "Graff's...story is lighthearted and humorous, but honestly addresses the emotions associated with divorce. Her characters' voices, interactions, and hangups are relatable, as they battle each other and adjust to their families' reconfigurations."--Publishers Weekly

"There are times when even best friends have problems and times when you wonder who your real friends are! That's normal, but it can also be upsetting. REVIEWS "What I love about this book is that it gives older children and tweens advice that is specific to the common yet painful friendship problems many experience. A child can look at all the scenarios here, relate and then get really good advice that will help them feel better and handle their conflicts in a way that makes them feel good about themselves." —Rosalind Wiseman, author of Queen Bees and Wannabes, the book that inspired the hit movie Mean Girls "...the best resource I've ever seen for addressing real issues in ways that girls can genuinely hear...I'll recommend this to every girl in my practical!" —Daborah Gilboa, M.D. (AKA Ask Dr. G), author of Get The Behavior You Want!... Without Being the Parent You Hate! "...an invaluable resource for girls navigating their way through the sometimes tricky pathways of friendship...covers a wide array of scenarios and offers clear, concise and compassionate advice that will leave girls feeling empowered and resolved." —Jennifer Wilder, M.D., co-author of Got Teen? "...a gift to girls everywhere...I would have clutched this book tight from all 4th grade on, reading deep into the night for girl-courage the next day. It could earn Annie Fox the Nobel Peace Prize for tempering Girl Warfare!" —Beth Onufrak, Ph.D., DrBethKids.com "...Full of gold nuggets. Fox's concrete suggestions (including what girls can actually say) are written perfectly for young girls navigating the exciting and challenging world of friendships." —Dr. Amy Alamar, Ed.D., author of Parenting With Confidence for the Genius "This book is gonna change not only the way you look at relationships, but how you counsel the kids in your care." —Lynne Kenney, Psy.D., co-author of Bloom: Helping Kids Blossom "As a mom of a tween girl and an educational psychologist I am excited to use this book both professionally and personally. It speaks to girls in their own language with solid advice." —Dr. Kimberley Palmiotto, DrPalmiotto.com

"This is so cool. I can look up my problem and get the answer!" —Priscilla, age 8 "I wish counselors would read this book, cause they'd understand better what it's like to be in real social situations. It's harder than they think." —Allie, age 13 "This book is a great way for kids like me to find answers to questions and not feel like we're alone!" —Elyse, age 10 "This would have been SO helpful back in 5th grade." —Kristin, age 12

This essential go-to guide reveals how women can enhance their lives by creating valuable friendships in today's busy, mobile world, from nationally recognized friendship expert and CEO of GirlFriendCircles.com. Every woman is searching for a happier, healthier, more fulfilling life. Many realize the significant role that an intimate, tightly knit circle of friends plays in creating a more fulfilled life, but with hectic schedules, frequent moves, and life changes, it's more important than ever for women to establish natural, meaningful friendships that will contribute to their overall wellbeing. In *Friendships Don't Just Happen!*, Shasta Nelson, friendship expert and CEO of GirlFriendCircles.com, reveals the most important proven steps, processes, and secrets vital to establishing the five different levels of friendships, or Circles of Connectedness, that women—no matter their age or relationship status—are longing for in today's stressful and mobile culture. This revolutionary, engaging guide will also benefit women who already feel rooted to fabulous friends, with insightful principles that will help them maintain and enhance their current friendships. Full of practical how-to-tips, fun activities, guiding questions, and step-by-step instructions, *Friendships Don't Just Happen!* highlights several areas of developing lasting friendships, teaching women how to: Evaluate their current circle of friends Recognize what types of friends they are seeking based on career, interests, location, and relationship status Create a prioritized friendship action plan Find extraordinary friends—where to look and how to approach them Take initiative to jumpstart friendships and face fears of rejection Establish "frientionacy," trust, and happiness through conversation and activities Maintain meaningful friendships and determine which ones are worthwhile Excerpt from *Friendships Don't Just Happen!*: There is a lie out there that real friendship just happens. When I was new to San Francisco eight years ago, I remember standing at a café window on Polk Street watching a group of women inside, huddled around a table laughing. Like the puppy dog at the pound, I looked through the glass, wishing someone would pick me to be theirs. I had a phone full of far-flung friends' phone numbers, but I didn't yet know anyone I could just sit and laugh with in a café. It hit me how very hard the friendship process is. I'm an outgoing, socially comfortable woman with a long line of good friendships behind me. And yet I stood there feeling very lonely. And insecure. And exhausted at just the idea of how far I was from that reality. I knew I couldn't just walk in there and introduce myself to them. "Hi! You look like fun woman, can I join you?" I would have been met with stares of pity. No one wants to seem desperate, even if we are. We don't have platonic pick-up lines memorized. Flirting for friends seems creepy. Asking for her phone number like we're going to call her up for a Saturday night date is just plain weird. All the setting of my eyes has was "I going to send the right signals. And so I turned away from the scene of laughter and walked away. No, unfortunately, friendships don't just happen. We Value Belonging Friendships may not happen automatically, but what we crave about them sure seems to! We all want to belong—that need to be connected to others is an inherent desire. We live our entire lives trying to fit in, be known, attract acceptance, and experience intimacy. We desperately want to have others care about us. This book is about that hunger. And more pointedly, it is about listening to it and learning how to fulfill it.

This book—now with updated content and illustrations—offers girls straight talk on what to do when it seems like everyone's wondering "who likes who?" It includes sensitive, insightful, honest advice from girls and boys on being friends, going out, breaking up, and just being themselves. Plus, it includes tips and quizzes that lend valuable perspective on the beginning and ending of relationships.

The bestselling author and psychologist whose books have topped 240,000 copies in print now addresses the trait of "high sensitivity" in children -- and offers a breakthrough parenting guidebook for highly sensitive children and their caregivers. With the publication of *The Highly Sensitive Person*, Elaine Aron became the first person to identify the inborn trait of "high sensitivity" and to show how it affects the lives of those who possess it. Up to 20 percent of the population is born highly sensitive, and now in *The Highly Sensitive Child*, Aron shifts her focus to highly sensitive children, who share the same characteristics as highly sensitive adults and thus face unique challenges as they grow up. Rooted in Aron's years of experience as a psychotherapist and her original research on child temperament, *The Highly Sensitive Child* shows how HSCs are born deeply reflective, sensitive to the subtle, and easily overwhelmed. These qualities can make for smart, conscientious, creative children, but with the wrong parenting or schooling, they can become unusually shy or timid, or begin acting out. Few parents and teachers understand where this behavior comes from -- and as a result, HSCs are often mislabeled as overly inhibited, fearful, or "fussy," or classified as "problem children" (and in some cases, misdiagnosed with disorders such as Attention Deficit Disorder). But raised with proper understanding and care, HSCs are no more prone to these problems than nonsensitive children and can grow up to be happy, healthy, well-adjusted adults. In this pioneering work, parents will find helpful self-tests and case studies to help them understand their HSC, along with thorough advice on: • The challenges of raising an highly sensitive child • The four keys to successfully parenting an HSC • How to soothe highly sensitive infants • Helping sensitive children survive in a not-so-sensitive world • Making social and friendships enjoyable With chapters addressing the needs of specific age groups, from newborns through teens, *The Highly Sensitive Child* delivers warmhearted, timely information for parents, teachers, and the sensitive children in their lives.

Whether parents like it or not, romance is a part of girls' everyday lives. They see it in the media and hear about it from their friends and older family members. They may be having feelings they're not even sure how to define. It's all very exciting, but also very confusing for girls. This book helps answer all the questions popping up in her head: How can you tell if a person likes you? How do you tell someone you like them? What if you haven't had a crush yet? And, uh, what about rejection? It includes tips and quizzes, plus age-appropriate and honest advice on navigating social situations and, most importantly, staying true to herself through any relationship.

"Good for you! You've taken the first step in a lifelong journey to learn what you can do to help end racism. Maybe you've seen someone treated unfairly just because of the color of their skin. Maybe you were treated unfairly because of the color of yours. Maybe you've seen protests in the news and wondered what they're really all about. Whatever reason you picked up this book, you're here because you want to make a difference and change things for the better, and that's awesome! There's a lot to learn about race and racism. But don't be overwhelmed—we'll take it step by step. First learn the language and concepts of race and racism. Then we can start to think about what changes we can make in ourselves, in our communities, and in the world that can help stop racism. There are lots of ideas in this book for thinking bigger and learning new skills as we work to end racism all around us. Imagine a world where everyone is treated fairly and no one is hurt or looked down on because of the color of their skin. Think about all the good that will come when everyone feels valued, respected, and cared for no matter who they are. That's a world that's worth fighting for, so let's go!"

Explains what to expect when one is left home alone and how to respond when the unexpected happens, with activities to help learn about one's home, neighborhood, and capabilities.

This Edgar Award-winning cozy mystery series for middle-graders introduces us to Myrtle Hardcastle, everyone's favorite 12-year-old amateur detective and Young Lady of Quality. Wickedly smart and keenly interested in the new tools of criminology, Myrtle has a nose for murder in the Victorian English village where she lives with her father, who is the local prosecutor, and her governess, Miss Judson. More mysteries await in *How to Get Away with Myrtle* (Book 2) and *Cold-Blooded Myrtle* (Book 3).

Sherlock meets Veronica Mars meets Ferris Bueller's Day Off in this story of a wisecracking girl who meets a weird but brilliant boy and their roller-coaster of a semester that's one part awkward, three parts thrilling, and five parts awesome. When Philip Digby first shows up on her doorstep, Zoe Webster is not impressed. He's rude and he treats her like a book he's already read and knows the ending to. But before she knows it, Digby—annoying, brilliant and somehow...attractive? Digby—has dragged her into a series of hilarious and dangerous situations all related to an investigation into the kidnapping of a local teenage girl. A kidnapping that may be connected to the tragic disappearance of his own sister eight years ago. When it comes to Digby, Zoe just can't say no. Digby gets her, even though she barely gets herself. But is Digby a hero, or is his manic quest an indication of a desperate attempt to repair his broken family and exercise his own obsessive compulsive tendencies? A romance where the leading man is decidedly unromantic, a crime novel where catching the crook isn't the only hook, a friendship story where they aren't even sure they like each other—this is a contemporary debut with razor-sharp dialogue, ridiculously funny action, and the most charismatic dynamic duo you've ever met.

"If you have middle schoolers who are too young to fully grasp John Green's *S The Fault in Our Stars* and love dogs, give them this sweet tearjerker." — *School Library Journal* "In this beguiling tearjerker, a foster kid's luck slowly changes after he befriends a scruffy pup he finds outside the library." — *People* magazine Ben Coffin has never been one for making friends. As a former foster kid, he knows people can up and leave without so much as a goodbye. Ben prefers to spend his time with the characters in his favorite sci-fi books...until he rescues an abandoned mutt from the alley next-door to the Coney Island Library. Scruffy little Flip leads Ben to befriend a fellow book-lover named Halley—yes, like the comet—a girl unlike anyone he has ever met. Ben begins thinking of her as "Rainbow Girl" because of her crazy-colored clothes and her laugh, pure magic, the kind that makes you smile away the stormiest day. Rainbow Girl convinces Ben to write a novel with her. But as their story unfolds Ben's life begins to unravel, and Ben must discover for himself the truth about friendship and the meaning of home.
