

# Abnormal Psychology Across The Ages 3 Volumes

*Abnormal Psychology Across  
the Ages [3 Volumes] by  
Thomas ...*

Abnormal Psychology Across  
the Ages. Thomas G Plante  
(ed.) In these three  
volumes, a team of scholars  
provides a thoughtful  
history of abnormal  
psychology, demonstrating  
how concepts regarding  
disordered mental states,  
their causes, and their  
treatments developed and  
evolved across the ages.  
Compiling current thought

from some of the best minds in the field, *Abnormal Psychology across the Ages* provides essays that reflect on multiple dimensions of abnormal behavior.

*Abnormal Psychology Across the Ages* is an important work that presents a well-integrated, tersely presented, topical, panoramic, and interdisciplinary discussion of key historical, contemporary, biological, behavioral, physical, and philosophical trends that lead us back to examine our beliefs about what constitutes adaptive as well as maladaptive behavior."
