

## Abraham Eades Albemarle County Declaration Of Independence

This fascination collection includes texts of wills that are "ancient" Confucius, ' Solon's introduction of wills to the ancient Greeks; "curious" wills concerning slaves, a will that attempts to bequeath property to the devil, the will of a pig, bequests to pets; and "famous" well-known authors, royalty and U.S. presidents.

Excerpt from History of Summers County: From the Earliest Settlement to the Present Time Our readers will appreciate that this book is aimed to be and is exclusively a chronicle of our own and of prescribed territory, and not of adjoining and contiguous territory, and also that it is fragmentary, prepared at odd moments. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Albemarle of Other Days

The Rucker family genealogy, with their ancestors, descendants and connections

After Lee and Grant met at Appomatox Court House in 1865 to sign the document ending the long and bloody Civil War, the South at last had to face defeat as the dream of a Confederate nation melted into the Lost Cause. Through an examination of memoirs, personal papers, and postwar Confederate rituals such as memorial day observances, monument unveilings, and veterans' reunions, Ghosts of the Confederacy probes into how white southerners adjusted to and interpreted their defeat and explores the cultural implications of a central event in American history. Foster argues that, contrary to southern folklore, southerners actually accepted their loss, rapidly embraced both reunion and a New South, and helped to foster sectional reconciliation and an emerging social order. He traces southerners' fascination with the Lost Cause--showing that it was rooted as much in social tensions resulting from rapid change as it was in the legacy of defeat--and demonstrates that the public celebration of the war helped to make the South a deferential and conservative society. Although the ghosts of the Confederacy still haunted the New South, Foster concludes that they did little to shape behavior in it--white southerners, in celebrating the war, ultimately trivialized its memory, reduced its cultural power, and failed to derive any special wisdom from defeat.
