volume in the Orbis Books' Modern Spiritual Masters Series. His major concerns, she maintains, were our capacity to create holiness by our prayer, our worship on the Sabbath, and our ethical actions in the workaday world.

## The Legacy of Abraham Joshua Heschel | Tikkun

I am not a consummate expert on Heschel, by any means, but I found these "Essential Writings" to be highly engaging and informative about Heschel's unique perspective on

Judaism. This compilation made by his daughter provides just enough background information to give the beginning reader a sense of who Heschel was, why he believed the Jewish faith (and faith in general) is so important.
