You just don't see enough contemporary jazz bands around anymore. It's a very particular sort of style and I understand it's just unfortunately more of a background sort of genre in the grand scheme of things, but lets talk about Acoustic Alchemy, a band from London, UK, who walk on to the stage this evening, with no egos, just a bunch of musicians who make fantastic music when they play ...

Acoustic Alchemy is a British contemporary instrumental and smooth jazz band formed in London, England in the early 1980s (c. 1981), originally fronted by acoustic guitarists Nick Webb and Simon James. The band is currently fronted by Greg

Carmichael and Miles Gilderdale. During the 1980s, there was little grateful audience for this form of music in the UK, and the big players in the genre ...
