This book is a collection of affirmative prayers and prayer poems written by Tracy Brown, RScP based on common topics people have asked her to pray about. If you have ever needed a prayer but didn't know where to turn, this book is for you. If you have felt like your own prayers aren't working and you need the support of an experienced prayer partner, you will find this book helpful. And if you just enjoy affirmative prayer as part of your spiritual practice, you will find inspiration in these pages. This book is a perfect gift or resource for people who are 'spiritual but not religious' because these prayers are non-

denominational and simply affirm the presence of a Higher Power no matter what name we call it.

I have compressed this essay into a few pages. Had it been possible I would have reduced it to as many lines. It is not meant to be an instructional treatise, but a practical recipe for getting out of trouble. Study and research are well in their own time and place, but no amount of either will get you out of a concrete difficulty. Nothing but practical work in your own consciousness will do that. The mistake made by many people, when things go wrong, is to skim through book after book, without getting anywhere. Read the Golden Key several times. Do exactly what it says, and if you are persistent enough you will overcome any difficulty.

No "secret" here! "Perfect Praying: 5 Simple Steps That Make Prayers Work" is a spiritual yet practical, easy-to-understand guide to creating the kind of life you've always dreamed of through the technique of Affirmative Prayer. The 5 Steps outlined in this book can empower you to trigger the forces of the Universe Itself and use them to create perfect health, happiness, prosperity, peace of mind, a perfect relationship or anything else you might want. The spiritual Principles outlined in "Perfect Praying" can work effectively for anyone of any faith or spiritual teaching. In fact, these Principles are ones you are "already using every day!" This guide shows you how to "consciously" apply them in a positive, confident and proactive manner to manifest the kind of results you want in your life. About the Authors Jon William Lopez, RScP and Beatrice Elliott, RScP, are licensed professional prayer practitioners with more than 25 years of New Thought spiritual science between them. Mr. Lopez is a photographer and former Disney artist. Ms. Elliott is a Speech Pathologist and has her Masters Degree in School Management and Administration. Beatrice Elliott's 2nd book, "Change Your Story, Change Your Life: Rewrite the Past and Live an Empowered Now!" was published in 2007. Through the use of Affirmative Prayer they have manifested miracles in their lives, and continue to create their positive experience on a daily basis.

I Turn to Prayer

5 Simple Steps That Make Prayers Work

It Works If You Work It!

Do you ever feel frustrated because your prayers are going unanswered, and you feel like God and the Angels are not listening? If you are feeling unsupported, 'Angel Prayers' will turn this situation around for good. In this book, Kyle reveals how to use affirmative prayer to focus on the positive outcome of a situation rather than praying to change something that is perceived as negative.

Life is an affirmative prayer that keeps growing and building in its magnificence, as much as we grow and expand abundantly in who we are as children of God. In her debut book, Joanie McMenamain shares reflections on her life experiences and guides readers through the prayer process known as spiritual mind treatment. She creates a blend of candor and self-tenderness readers will embrace, as she recounts how life and God carved a path for her wholeness.

Can Prayer Truly Heal Body and Soul? In *The Metaphysics of Spiritual Healing and the Power of Affirmative Prayer*, Reverend Carter continues to focus on the God-Power that resides in each and every one of us. Acknowledging that traditional Christianity teaches that we are indeed separate from our Creator or Source, Reverend Carter emphasizes that we can be transformed by "the renewing of our minds" using the techniques of spiritual metaphysics and affirmative prayer. When we really come to believe that we are not separate from but indeed part of the energy and Intelligence many of us refer to as "God," we become happier, more loving, and fulfilled human beings. In this way, the world we have awaited for will eventually become the world attained.

Are you ready to build a life for yourself that really works? This book is about giving you the tools to do just that - to practice, refine and master affirmative prayer and use it every day to transform yourself and create the life of your dreams.. In this book, written by a spiritual mentor and minister in the New Thought movement, you'll find:

- The five Foundational Assumptions of affirmative prayer
- Clear, easy-to-follow instructions on writing powerful affirmative prayers
- What you need to know about praying for others, praying for groups and prayer partner relationships

The Transforming Power of Affirmative Prayer

Your Prayer Decree

Handbook of Positive Prayer

This book was birthed in Spring 2020 when the global pandemic began to sweep through the planet. I began to listen to people in traditional churches pray regarding the abrupt loss of life that was ravishing the nation and the globe, and I did not like what I was hearing; my Spirit was grieved. It felt as if spiritual leaders were not praying with their God-given authority and that the prayers of many sounded aimless, lacking the force needed to deal with the global crisis at hand. I began to listen to ministers in the Christian New Thought movement who utilized a method called Affirmative Prayer, which I had studied in the days of my youth from books in my mother's home library. I noticed that they prayed differently, with an authority that elevated my faith level into believing that the declarative, creative tone of our prayers have the power to radically transform situations in both the supernatural realm and the natural realm for the highest good of humanity.

Describes how to rejuvenate a stagnant prayer life through the rearrangement of the language in common prayers, creation a daily meditation and prayer routine, and prayer groups.
