Air Disaster: Vol. 1 by Macarthur Job - Goodreads

Volume 2 covers 13 accidents from 1977 to 1991, and includes three specific accidents where the causes can be put down to inadequate, or unsafe maintenance practices. The first is the 1989 crash of United Airlines flight 232 at Sioux City, where a catastrophic engine failure led to complete loss of hydraulic fluid from the aircraft, and almost complete loss of control of the aircraft.

A VHS rip of an old documentary I am extremely fond of (practically growing up watching, though I wouldn't recommend it for kids) None of this footage is min...
