

## Alberto Rivera The Prophet

The true story of Charles Chiniquy, a former Roman Catholic priest. Before Charles Chiniquy was born, his dad studied to become a Roman Catholic priest in Canada. But he saw something happen in the Church which upset him so much, that he quit. He studied law and became a notary. As Chiniquy's father was leaving the priesthood he was given a going-away present by a close friend. . . . a beautiful French and Latin Bible. When Charles was 5 years old his mother taught little Charles to read from that Bible because there were no schools. Little did she know the profound influence that book would have on her sons' life. Charles Chiniquy wanted to obey and serve his church, but as he studied the scriptures, he became tormented as he learned that his church was wrong. It will break your heart as you learn how Catholics are being deceived into following a false religion. Chiniquy also reveals how Abraham Lincoln's legal assistance against the Jesuits set him up for his murder. Chiniquy's story was originally published in book form (50 Years in the Church of Rome) and is now available in comic book format.

**FINLANDITION 1:** Harma Mirawisi, was almost 75 years old while updating two of my history books known as "The History of the Kurdish People," which is the same as "The History of the White People of The Caucasian (Kew Gaz) People of Europe, North America, and Australia." I am sad to find out that all Caucasian people are ignorant about their histories in this short life. The Lord of the Deva religion leaders (who used Lord Shiva Teaching) destroyed and transformed the Caucasian people in the last 2500 years. The leaders of the Deva religion destroyed many empires to create a new realm. And now they are trying to use the US and Russian empires against one another to elevate China as the undisputable Empire for a while before destroying it in later time. I believe my finding in these two books informs you about two powers. One is known as the followers of Lord Deva, and the other is known as the followers of God HJ, the creator of humans. Deva or King Deva (Caucasian Sanskrit: Divine, Kurdish: Dêw, Arabic: Shaitan, Hebrew: Satan-Lucifer, English: Devil).

THIS book entails information from the book entitled Man from planet Rizq. I have taken the time and energy, and meticulously challenged and, debunked this man's information. I have literally taken just about every page that I though was worth challenging and extracted the lies and exposed them to be the best of my ability. The scope of his work was not only about him and his community, but also about freeing the minds of those who came in contact or will come in contact with these pathogenic teachings that seem to have predated the nation. I also take the time to Dawah (propagate Islam) towards the end of the book by dispelling myths like did the Vatican create Islam?. The Moon god Myth, did the prophet Muhammad really exist? I also show and prove diligently that this man is not from planet Rizq, but is not from the Sudan, or apart of the Al-Mahdi family. In this work Inshallah (God Willing) the reader will see for themselves the fraud unveiled and that his teachings are a hodgepodge of Sumerian, Akkadian, Babylonian and Hindu extractions wrapped with a miniscule amount of truth. Inshallah (God Willing) TRUTH HAS COME AND FALSEHOOD MUST VANISH.

An NYRB Classics Original The first great twentieth-century novel of dictatorship, and the avowed inspiration for García Márquez's The Autumn of the Patriarch and Roa Bastos's I, the Supreme, Tyrant Banderas is a dark and dazzling portrayal of a mythical Latin American republic in the grip of a monster. Ramón del Valle-Inclán, one of the masters of Spanish modernism, combines the splintered points of view of a cubist painting with the campy excesses of 19th-century serial fiction to paint an astonishing picture of a ruthless tyrant facing armed revolt. It is the Day of the Dead, and revolution has broken out, creating mayhem from Baby Roach's Cathouse to the Harris Ciculus to the deep jungle of Tico Mapú. Tyrant Banderas steps forth, assuring all that he is in favor of freedom of assembly and democratic opposition. Meanwhile, his secret police lock up, torture, and execute students and Indian peasants in a sinister castle by the sea where even the sharks have tried of a diet of revolutionary flesh. Then the opposition strikes back. They besiege the dictator's citadel, hoping to bring justice to a downtrodden, starving populace. Peter Bush's new translation of Valle-Inclán's seminal novel, the first into English since 1929, reveals a writer whose tragic sense of humor is as memorably grotesque and disturbing as Goya's in his The Disasters of War.

The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual-planned terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations

The oldest Islamic biography of Muhammad, written in the mid-eighth century, relates that the prophet died at Medina in 632, while earlier and more numerous Jewish, Christian, Samaritan, and even Islamic sources indicate that Muhammad survived to lead the conquest of Palestine, beginning in 634-35. Although this discrepancy has been known for several decades, Stephen J. Shoemaker here writes the first systematic study of the various traditions. Using methods and perspectives borrowed from biblical studies, Shoemaker concludes that these reports of Muhammad's leadership during the Palestinian invasion likely preserve an early Islamic tradition that was later revised to meet the needs of a changing Islamic self-identity. Muhammad and his followers appear to have expected the world to end in the immediate future, perhaps even in their own lifetimes. Shoemaker contends. When the eschatological Hour failed to arrive on schedule and continued to be deferred to an ever more distant point, the meaning of Muhammad's message and the faith that he established needed to be fundamentally rethought by his early followers. The larger purpose of The Death of a Prophet exceeds the mere possibility of adjusting the date of Muhammad's death by a few years; far more important to Shoemaker are questions about the manner in which Islamic origins should be studied. The difference in the early sources affords an important opening through which to explore the nature of primitive Islam more broadly. Arguing for greater methodological unity between the study of Christian and Islamic origins, Shoemaker emphasizes the potential value of non-Islamic sources for reconstructing the history of formative Islam.

Learn the hidden purpose of the ecumenical movement Many Christians believe the current call for Christian unity is biblical and reflects the heart of God. But in this important book, Jack Chick shows why nothing could be further from the truth. Before you agree to this "unity," you need to know who you are uniting with . . . and what they believe. Here, you will learn that today's unity "is a clever smokescreen, devised by the Vatican to bring all Christians under Rome's control. And to be in unity with Rome, you must be willing to compromise your beliefs. . . . and accept hers.

Discover why this "unity" is so dangerous, and how far down the road of compromise the church has already traveled. See how major Christian leaders have been leading their followers into compromise with Rome for years. Learn how to spot this dangerous false unity so you can take a stand. Learn the high price you will eventually pay for this "unity."

Alberto Part 3 Here's how the Roman Catholic Institution, as the "Mother of Abominations" (Rev. 17), caused many wars. This is the book the Catholic press is afraid to mention. Was the Vatican responsible for World Wars I & II? Why did Cardinal Pacelli (later to become Pope Pius VIII) make a special treaty with Adolph Hitler? You'll meet the MOTHER OF ABOMINATIONS described in Revelation 17.

Secrets the Jesuits don't want Christians to know! Out of Europe, a voice is heard from the secular world that documents historically the same information told by ex-priests. The author exposes the Vatican's involvement in world politics, intrigues, and the fomenting of wars throughout history. It appears, beyond any doubt, that the Roman Catholic institution is not a Christian church and never was. The poor Roman Catholic people have been betrayed by her and are facing spiritual disaster. Paris shows that Rome is responsible for the two great world wars. Author Edmond Paris explains why he wrote this book... "The public is practically unaware of the overwhelming responsibility carried by the Vatican and its Jesuits in the start of the two world wars – a situation which may be explained in part by the gigantic finances at the disposition of the Vatican and its Jesuits, giving them power in so many spheres, especially since the last conflict." "In fact, the part they took in those tragic events has hardly been mentioned until the present time, except by apologists eager to disguise it. It is with the aim of rectifying this and establishing the true facts that we present in this and other books the political activity of the Vatican during the contemporary -- activity which mutually concerns the Jesuits." " This study is based on irrefutable archive documents, publications from well-known political personalities, diplomats, ambassadors and eminent writers, most of whom are Catholics, even attested by the imprimatur."

This comic reveals how the Vatican is using its occult force to deceive millions. It's the "habitation of devils" described in Rev. 18:2.

In the midst of the dramatic seventh-century war between two empires, Muhammad was a spiritual seeker in search of community and sanctuary. Many observers stereotype Islam and its scripture as inherently extreme or violent—a narrative that has overshadowed the truth of its roots. In this masterfully told account, preeminent Middle East expert Juan Cole takes us back to Islam's—and the Prophet Muhammad's—origin story. Cole shows how Muhammad came of age in an era of unparalleled violence. The eastern Roman Empire and the Sasanian Empire of Iran fought savagely throughout the Near East and Asia Minor. Muhammad's profound distress at the carnage of his times led him to envision an alternative movement, one firmly grounded in peace. The religion Muhammad founded, Islam, spread widely during his lifetime, relying on soft power instead of military might, and sought armistices even when militarily attacked. Cole sheds light on this forgotten history, reminding us that in the Qur'an, the legacy of that spiritual message endures. A vibrant history that brings to life the fascinating and complex world of the Prophet, Muhammad is the story of how peace is the rule and not the exception for one of the world's most practiced religions.

Messiah's apocalyptic vision is a war manual, designed to hide the explanation from those who should not understand it. It uses symbolic words that are defined in the Old Testament to point to a literal fulfillment. If you read Revelation only from a literal perspective, the interpretation is hidden. Understanding the vision is like taking a Biblical final exam. If you've read the whole Word, you will have seen the symbolism that Messiah uses and can apply it to the fulfillment. If you read Revelation as one chronological narrative, the prophecies seem out of sequence. That's because it has four chronological layers, each of which spans from when it was written until Messiah returns. This book explains the prophecies of Revelation on a timeline to help you see how the four chronological layers interact with each other, so that you can comprehend the whole vision. You will learn how to identify who fulfills the role of the son of perdition, the antichrist beast, the false prophet, and the harlot called "Mystery, Babylon the Great." You will understand the proper context of the seal, trumpet, and bowl judgments; the little book of Revelation 10, and the two witnesses of Revelation 11. Whether you're a novice at Bible prophecy or someone who has studied it extensively, I provide an explanation that is easy to understand yet has the depth of verse explanations to provide you the evidence you need to prove it out. When the saints can prove the fulfillment of Revelation, they can proclaim to the world the authority of Scripture and the deity of Messiah, to cast down the power of the enemy over people, so that millions are redeemed for the kingdom.

Freedom in the World, the Freedom House flagship survey whose findings have been published annually since 1972, is the standard-setting comparative assessment of global political rights and civil liberties. The survey ratings and narrative reports on 195 countries and fourteen territories are used by policymakers, the media, international corporations, civic activists, and human rights defenders to monitor trends in democracy and track improvements and setbacks in freedom worldwide. The Freedom in the World political rights and civil liberties ratings are determined through a multi-layered process of research and evaluation by a team of regional analysts and eminent scholars. The analysts used a broad range of sources of information, including foreign and domestic news reports, academic studies, nongovernmental organizations, think tanks, individual professional contacts, and visits to the region, in conducting their research. The methodology of the survey is derived in large measure from the Universal Declaration of Human Rights, and these standards are applied to all countries and territories, irrespective of geographical location, ethnic or religious composition, or level of economic development.

Abdullah Ocalan and Kurd The Word Abdullah Ocalan and Kurd have one thing in common: both are the name come into existence because of the resistance against the occupiers of the Kurdistan. The struggle by the Kurdish people to be free from occupiers and live in the land belong to their forefather peacefully made histories. The famous Jewish historian Josephus " stated in the Antiquities of the Jews history – Preface " There are those who write histories in order to gratify those that happen to be concerned in them, and on that account have spared no pains, but rather gone beyond their own abilities in the performance; but others there are, who, of necessity and by force, are driven to write history, because they are concerned in the facts, and so cannot excuse themselves from committing them to writing, for the advantage of posterity." Author note: Indeed the fact-finding about Kurd and Kurdistan where I belong derived me to write this book for my people, who have been used and abused by so many other people. The hatred and need for the land united followers of Deva (D ê w) and Asura religion to murder millions of people and enslave millions of women and children to be used as sex slaves, were Abdullah Ocalan and Kurd belong to. Abdullah Ocalan led Kurds as the original members the Mithraism and Aryan religion, who established the ancient Caucasian civilized. Abdullah Ocalan and Kurd came to fight occupiers of their forefather land in different time. Kurd as the member of the Aryan religion fought Greek Empire as members of Deva religion, and Abdullah Ocalan is fighting Islamic Empires, led by Persia of Tamil (Tamil-India), Arabs of Africa and Turk of Mongolia simultaneously as the members of the Islamic religion, which is, part of the Deva (D ê w) religion known him. Muhammad, a settled husband and father, and spoke through him. Muhammad's divine and dangerous task was to convince his people to renounce their ancestral idols and superstitious veneration of multiple gods. From the first encounter, God did not leave Muhammad alone, his life was no longer his own, and with each revelation the creation of a new way of life formed and a religion was born. Muhammad didn't see himself as the son of God or as one who achieved cosmic enlightenment. His relatives and neighbors didn't part the way when he walked down the parched dirt streets of Mecca. There was no mark of divinity. Orphaned by age six, Muhammad grew up surrounded by dozens of cousins and extended family to become a trusted merchant. Muhammad saw himself as an ordinary man and that is why what happened to him is so extraordinary. Rooted in historical detail, Muhammad brings the Prophet to life through the eyes of those around him. A Christian hermit mystic foretells a special destiny, a pugnacious Bedouin wet nurse raises him in the desert, and a religious rebel in Mecca secretly takes the young orphan under his spiritual wing. Each voice, each chapter brings Muhammad and the creation of Islam into a new light. The angel Gabriel demands Muhammad to recite, the first convert risks his life to protect his newfound faith, and Muhammad's life is not a myth but an incredible true and surprisingly unknown story of a man and a moment that sparked a worldwide transformation.
