It's actually easy to pick up the American accent. The heavy lifting is in acquiring the vocabulary and grammar, and the accent is just shaping the sounds and rhythm patterns. The good news is that there is a solution that will jump start your transformation. Amazingly, it's only \$99.99.

American Accent Training

Rather than forming vowel sounds in your throat, let them come from the top of your mouth just under your nose, similar to a Northern American accent. Except for when you're articulating consonant sounds, keep your tongue near the center of your mouth. Speak with a brisk pace, but leave a little space between each word.
