Chris Hedges "The Politics of Cultural Despair" An Ever More Powerful Court

The Court of Justice of the European Union (CJEU) has become famed - and often shamed - for its political power. In scholarly literature, this supranational court has been regarded as a 'master of integration' for its capacity to strengthen integration, sometimes against the will of member states.

An Ever More Powerful Court?: The Political Constraints of ...

The Court of Justice of the European Union (CJEU) has become famed - and often shamed - for its political power. In scholarly literature, this supranational court has been regarded as a 'master of integration' for its capacity to strengthen integration, sometimes against the will of member states. In the public debate, the CJEU has been severely criticized for extending EU competences at the expense of the member states.
