Egyptology, the study of pharaonic Egypt, spanning the period c. 4500 bce to ce 641. Egyptology began when the scholars accompanying Napoleon Bonaparte's invasion of Egypt (1798–1801) published Description de l'Égypte (1809–28), which made large quantities of source material about ancient Egypt available to Europeans.

**Egyptology | study of pharaonic Egypt | Britannica**

Egyptology is the study of ancient Egyptian history, language, literature, religion, architecture and art from the 5th millennium BC until the end of its native religious practices in the 4th century AD. A practitioner of the discipline is an "Egyptologist". In Europe, particularly on the Continent, Egyptology is primarily regarded as being a philological discipline, while in North America it is often regarded as a branch of archaeology.

**Egyptology - Wikipedia**

Egyptology Definition Ancient Egyptian civilization has a history going back to around 3,000 BC. Egyptology is the study of this history in regards to the language, religion, art, literature and architecture up until about 400 A.D. which marked the end of hieroglyphic writing.

In ancient Egyptian history, dynasties are series of rulers sharing a common origin. They are usually, but not always, traditionally divided into thirty-two pharaonic dynasties; these dynasties are commonly grouped into "kingdoms" and "intermediate periods". The first thirty divisions are due to the 3rd century BC Egyptian priest Manetho, and appeared in his now-lost work Aegyptiaca, which was perhaps written for the Greek-speaking Ptolemaic ruler of Egypt. The names of the last two, the short-I

A study published in 2017 described the extraction and analysis of DNA from 151 mummified ancient Egyptian individuals, whose remains were recovered from Abusir el-Meleq in Middle Egypt. Obtaining well-preserved, uncontaminated DNA from mummies has been a problem for the field of archaeogenetics and these samples provided "the first reliable data set obtained from ancient Egyptians using high-throughput DNA sequencing methods".
