This colour edition medical dictionary should be of use both as a home medical guide and as an aid for all those working in the medical and allied professions. Over 10,000 concise entries cover all the major medical and surgical specialties and the dictionary aims to reflect recent medical advances, including those in genetics, infertility treatment, cancer, imaging techniques, organ transplantation, and the links between BSE and Creutzfeldt-Jakob disease, and there is coverage of new drugs in clinical use.

You'll want to have this invaluable resource at your side every time you set up the board to play.

Contains 55,000 alphabetically arranged entries that provide definitions of terms and phrases related to health science.

Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. This Quran translation is available in two editions. This edition (A) uses the word "Allah" to refer to the Creator. Edition (B) uses the word "God". Quran Sura 91. The Sun. ash-Shams. In the name of Allah, the Gracious, the Merciful. 1. By the sun and its radiance. 2. And the moon as it follows it. 3. And the day as it reveals it. 4. And the night as it conceals it. 5. And the sky and He who built it. 6. And the earth and He who spread it. 7. And the soul and He who proportioned it. 8. And inspired it with its wickedness and its righteousness. 9. Successful is he who purifies it. 10. Failing is he who corrupts it. 11. Thamood denied in its pride. 12. When it followed its most wicked. 13. The messenger of Allah said to them, "This is the she-camel of Allah, so let her drink." 14. But they called him a liar, and hamstrung her. So their Lord crushed them for their sin, and leveled it. 15. And He does not fear its sequel. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.

Internet ExplorerRG 4.0 or 5.0 (version 5.0 supplied on the enclosed CD-ROM). Internet access (this is required to validate and register your CD-ROM). Minimum 56K modem (required to connect to the iFinger web site to purchase other titles and to download software upgrades).

This is an open access book. As a leading role in the global megatrend of scientific innovation, China has been creating a more and more open environment for scientific innovation, increasing the depth and breadth of academic cooperation, and building a community of innovation that benefits all. These endeavors have made new contribution to globalization and creating a community of shared future. To adapt to this changing world and China's fast development in this new area, the 2nd International Conference on Internet, Education and Information Technology (IEIT 2022) is to be held in April 15-17, 2022. This conference takes "bringing together global wisdom in scientific innovation to promote high-quality development" as the theme and focuses on research fields including information technology, education, big data, and Internet. This conference aims to expand channels of international academic exchange in science and technology, build a sharing platform of academic resources, promote scientific innovation on the global scale, improve academic cooperation between China and the outside world. It also aims to encourage exchange of information on research frontiers in different fields, connect the most advanced academic resources in China and abroad, turn research results into industrial solutions, bring together talents, technologies and capital to boost development.

This dictionary and index comprises a selection of modern and everyday language that will be extremely useful for learners of the Maori language. It has a broader scope than traditional dictionaries, so as well as the words one would usually expect in a dictionary, it also includes; encyclopaedic entries designed to provide key information, explanations of key concepts central to Maori culture, comprehensive explanations for grammatical items, with examples of usage, idioms and colloquialisms with their meanings and examples.

Have you been trying to learn Spanish and simply can't find the way to expand your vocabulary? Do your teachers recommend you boring textbooks and complicated stories that you don't really understand? Are you looking for a way to learn the language quicker without taking shortcuts? If you answered "Yes!" to at least one of those previous questions, then this book is for you! We've compiled the 2000 Most Common Words in Spanish, a list of terms that

will expand your vocabulary to levels previously unseen. Did you know that — according to an important study — learning the top two thousand (2000) most frequently used words will enable you to understand up to 84% of all non-fiction and 86.1% of fiction literature and 92.7% of oral speech? Those are amazing stats, and this book will take you even further than those numbers! In this book: A detailed introduction with tips and tricks on how to improve your learning A list of 2000 of the most common words in Spanish and their translations An example sentence for each word – in both Spanish and English Finally, a conclusion to make sure you've learned and supply you with a final list of tips Don't look any further, we've got what you need right here! In fact, we're ready to turn you into a Spanish speaker... ..are you ready to get involved in becoming one?

This massive authoritative Swahili dictionary, is the most definitive and comprehensive in existence. It has taken a team of lexicographers and academics fourteen years to prepare, with the support of the Institute of Kiswahili Research in Dar es Salaam. The last comparable edition was in 1939, and was primarily intended to help the user to comprehend English texts. The dictionary records new words and meanings of words which the language has acquired since 1939; and provides lexicographical information needed by current dictionary users. There are more than 50,000 entries, with an attempt to give every English word an equivalent in Swahili, or otherwise a phrase; and the vocabulary covers both general and specialized language. Guidance is provided on use and connotation, word formation and syntax, and derivatives and compounds of a headword are explicitly shown in each entry. The full information and arrangement given for each entry is: headword, homographs, wordclass, alternative spelling of a headword, cross-reference, gloss, definition, subject label, usage label, regional label, senses separated by numbers, illustrative examples, compounds, derivatives, and adjectival complementation.

A Spanish-English dictionary for students.

Find the Android apps that are right for you so you can have fun and get more done!
