I will  
definitely do  
volume 2, but  
maybe not  
right away. I

was thinking  
of blogging  
the solutions  
to either a  
linear algebra  
book or a  
topology book  
after I finish  
volume 1. (It  
makes more  
sense for my  
coursework to

do one of  
those rather  
than a  
multivariable  
calculus  
book.) No  
problem on  
creating the  
solutions.
