The Wheel Keeps on Rollin' is the 13th studio album by American country band Asleep at the Wheel. Recorded at studios in Austin, Texas and Nashville, Tennessee, it was produced by Andy Byrd with the band's frontman Ray Benson and released on November 21, 1995 by Capitol Nashville. The album was produced to mark the 25th anniversary of the group's 1970 inception, and was its first collection of new original studio material since the release of Keepin' Me Up Nights in 1990. Following the critical

Asleep At The Wheel is a very talented group strongly influenced by the music of Bob Wills but much more than a retro group. They manage to keep the music original and fresh. This is their first release for a few years and is not just Western swing. It has some 'Americana' and some fairly acoustic 'quieter' songs.
