Being a highly skilled operative for a company like Jameson Force Security is exhilarating and important work...until it comes time to date. I like to keep my profession under wraps for a number of reasons. Some of what we do is top secret, most of what we do is dangerous, and more than one woman has tried to latch onto me because she was more enamored with what I do than who Cage Murdock really is. And since I ' m more of a ' here for the night ' than a ' here for forever ' kind of guy, what ' s the harm in a little white lie about my job? My harmless deceit has never failed me. Until now. Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful, unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn ' t know that I ' m not a used car salesman like I told her when we met. As it typically does with lies, the truth is about to come out in a big way when Jaime unwittingly gets herself mixed up with some unsavory characters and I, along with the team at Jameson, have to intervene. Now I need to save my girl and hope I can save my marriage too. Let ' s just say I have some serious explaining to do.

She's on the sheriff's most wanted list. Waking up with a naked woman holding a knife at his throat is just about the last thing Sheriff Travis Flynn expected. And the brother she's looking for? A murderer. And dead. Probably. But the real shock comes when she insists she's not a Lycan. LeAnn Wilcox isn't looking for love...especially not from some wolf in sheriff's clothing. She operates on the other side of the law. Once she finds her brother-alive-she'll get out of the pack's territory and go back to her regular, normal, non-furry life of changing jobs and her name whenever her past closes in. The cool, logical Sheriff has finally met his match, but LeAnn's life is at stake if she won't claim her place in the pack, especially once his control over the pack is challenged and her brother's fate is questioned.

The Complete Harvesters Series Collection

"I'm not a piece of property that you can just claim, Romaric." Having been held hostage for a month by vicious vampires, Sarah is now recovering in the most unlikely of places...the shelter that her sister, Kate and her vampire mate, Devon, opened to help such victims as herself. After months under the watchful eye of her sister, she's finally put a plan into motion to secure her future when a very imposing, very stoic and utterly drop dead gorgeous vampire takes her world by storm and turns it completely upside down. "Ah, but that's where you're wrong, my beauty. You are mine and I've come to do exactly that." Romaric Dietrich, West Regent Vampire Lord is one of the oldest vampires alive. He's cold, calculating and nearly unmatched in power. Vampires recognize their Moiras instantaneously and upon first laying eyes on Sarah Hill, he senses she's his. His Moira. His Destined mate. The one woman meant to be his and his alone. But how is that possible when he'd loved and lost his first? In his quest to uncover the truth, not only does he discover that Sarah is indeed the other half of his soul, but he's put himself, and his mate, in the crosshairs of yet another very powerful enemy. Only bonded together do they have the power to win the battles ahead. With one look into his icy-blues, Sarah knows that Romaric is not the aloof, uncaring enigma he pretends to be. Underneath his cool, rough exterior lays a passionate, romantic and fiercely loving heart of gold. As they fight the battles to come, Sarah holds the key to not only unlocking his centuries hardened soul, but to the one thing that will save them both from this new nemesis. But will she make her decision in time? And will they finally get the happiness they both deserve?

He just wanted his exosuit back. She was out to save her brother. What they got were bloodthirsty aliens. And maybe the end of the world. Prepare for 1,700+ pages of rip-roaring sci-fi shenanigans... "Extremely entertaining!" "This author KNOWS HOW TO WRITE AN ADVENTURE STORY!!" "Suspenseful, funny, and compelling." "Sci-fi, dystopia, vampires, Star Wars references, and style. It has it all." In a world devastated by alien invasion, Jarek and Rachel were never paragons of heroism. They survived, same as anyone else. They protected what was dear—Jarek with his exosuit and beloved AI companion, Rachel with her brother. They kept things simple... until the raknoth came and took it all away. Now, Jarek and Rachel will stop at nothing to protect what's theirs, even if it means swallowing their pride and working together to survive. Because it turns out the raknoth are only the beginning of the bad news for Mother Earth... What do a smart-mouthed sword-slinger and a surly arcanist have in common? Neither of them signed up for this crap. But together, they might just be strong enough to finish it. Assuming they don't kill each other first... Are you ready to suit up and save the world? Grab the COMPLETE 8-Story Collection today, and prepare for a high-octane sci-fi romp you won't forget! Included in this set: - Soldier of Charity (Jarek's prequel) - Cursed Blood (Rachel's prequel; exclusive to this collection) - Red Gambit (Harvesters Book 1) - Hell to Pay (Harvesters Book 2) - Reaping Day (Harvesters Book 3) - Retribution (Harvesters Book 4) - Plus 2 more exclusive new Harvesters short stories: Scorched Earth, and Jarek Slater and the Ballad of the Broken Glass Kids

Scott Sebastian is a liar. Fitting, since I'm a liar too. Yet there's no place for me in his glittering world of half-truths. With all our secrets in the open, I should stop trying. What I've learned should send me running far away. I can't keep pining for a man in love if I'm not the woman he's in love with. But it's not that easy to escape the Sebastians. I already knew they owned this city. Now I'll find out if they also own their son.

She crossed an ocean to escape... right into their arms. As successful Bridgewater men, Clive North and William West are only missing one thing: the love of a good woman they will share. Despite Clive's skepticism, William places an ad for a mail order bride. Though neither man has high hopes when the ad is answered, both are stunned at the arrival of the most beautiful woman they've ever seen.Desperate and on the run, Sassy McCloud travels as far from her old life as possible. Escaping the vengeful Lord Carmichael takes her across an ocean and all the way to the Montana Territory to be a bride, sight unseen. She finds passion she never knew possible with not one husband, but two. Love may not be enough. Can two brawny cowboys protect her from her past and all of the secrets that followed her?

This book is a compendious collection of papers designed to expose the current trends in mathematical modelling. It details current research on models of in-host dynamics, epidemics, population dynamics and psycho-social dynamics. The chapters are written in a simple and concise way for readers who are familiar with basic mathematical modelling offered in undergraduate courses. The main objective of this book is to detail various applications of mathematics in biomedical sciences, resources management and social settings. Many of the book chapters contain current contentious issues in mathematical modelling and as such, the book can be used to generate projects for bio-mathematic students. Graduate students wishing to acquire and consolidate knowledge in mathematical modelling will find this an excellent text for their research.

As she becomes involved in the life of the island, and its inhabitants, she has to embark upon a whole new life and discovers many things about her husband - and her own past - that will change everything forever...

In New York Times bestseller Allison Brennan’s Cold as Ice, FBI Agent Lucy Kincaid must get into the head of a psychopath to save her family, and herself Two years ago, FBI Agent Lucy Kincaid put psychopath Elise Hansen Hunt in juvenile detention for her role in an organized crime syndicate. Now eighteen, Elise has been released with a clean slate, and plans to take her revenge by making Lucy’s life hell. The plot begins with Lucy’s husband Sean Rogan, who has been arrested for a murder he most certainly did not commit. Lucy is determined to prove Sean’s innocence, but is warned off the case by her boss. As she calls in reinforcements, she learns that Sean’s brother Kane is missing in Mexico, her partner Nate Dunning has been arrested for possession of cocaine, and her friend Brad Donnelly has been kidnapped outside DEA headquarters. Lucy realizes that Elise doesn’t have the resources or patience to execute such a devious plan. Did Elise’s father orchestrate everything from prison? Or is there someone even more calculating seeking revenge on Lucy by hurting the people she loves? One thing is certain: if Lucy doesn’t find the answers fast, Sean will die.

History enthusiasts and admirers of Team of Rivals will rejoice in this magisterial account of the extraordinary Americans who served the nation ' s first chief executive: Together, they created the presidency for a country disgusted by crowns and the people who would wear them. In 1789, as George Washington became the first president of the United States, the world was all but certain that the American experiment in liberty and representative government would founder. More than a few Americans feared that the world was right. In Washington ' s Circle, we see how Washington and his trusted advisers, close friends, and devoted family defied the doomsayers to lay the foundation for an enduring constitutional republic. This is a fresh look at an aloof man whose service in the Revolutionary War had already earned him the acclaim of fellow citizens. Washington was easy to reverse, if difficult to know. David S. Heidler and Jeanne T. Heidler reveal Washington ' s character through his relationship with his inner circle, showing how this unlikely group created the office of the presidency. Here is a story of cooperation, confrontation, triumph, and disappointment, as the president, Congress, and the courts sorted out the limits of executive power, quarreled over funding the government, coped with domestic strife, and faced a world at war while trying to keep their country at peace. Even more, it is a story of remarkable people striving for extraordinary achievements. Many of these characters are familiar as historic icons, but in these pages they act and speak as living individuals: the often irked and frequently irksome John Adams, in the vice presidency; the mercurial Alexander Hamilton, leading the Treasury Department; the brilliant, deceptively cunning Thomas Jefferson, as secretary of state; James Madison, who was Washington ' s advocate—and his eyes and ears—in Congress; and Washington ' s old friend and former brother-in-arms Henry Knox, at the administration ' s beleaguered War Department. Their stories mingle with those of Edmund Randolph, John Jay, Gouverneur Morris, and the others who stood with a self-educated Virginia farmer to forge the presidency into an institution protective of its privileges but respectful of congressional prerogatives. Written with energy, wit, and an eye for vivid detail, Washington ' s Circle is the fascinating account of the people who met the most formidable challenges of the government ' s earliest hours with pluck, ability, and enviable resourcefulness. When the world said they would fail, they rolled up their sleeves. This is their story. Praise for Washington ' s Circle " A fine, readable history of the first presidency . . . [David and Jeanne Heidler] provide not only a lively history but a group portrait of Washington and the various figures vying to influence him. " —The Wall Street Journal " Washington ' s Circle positively glows with narrative exuberance. This is a book that will make even the most jaded student of the American Revolution bark little laughs of pure delight while reading. " —Open Letters Monthly " Traditional accounts portray Washington as a solitary actor in the drama of American nationhood, as chilly and featureless as the marble shaft that dominates his namesake capital. In fact, he was the intensely human lead in one of history ' s most colorful, and contentious, ensembles. David S. Heidler and Jeanne T. Heidler bring the whole cast to unforgettable life in this character study – cum – group portrait – cum – old-fashioned page-turner. " —Richard Norton Smith, author of On His Own Terms I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me.So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had.My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life.But when she comes to Paris for a visit...she brings trouble with her.She gets herself into a bad situation, and of course, I come to her rescue...like I always do.Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness.Except for my guard.He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it...but he brings me little hidden tools...as if he's giving me the means.Like he wants me to be free.

Good old, reliable Pru. Of the four Reynolds sisters, Pru is the natural choice to take on custody of the girl their late mother had planned to adopt. At thirty, suddenly becoming the mom of a teenager means big changes, but Pru's ready to do whatever it takes to adopt Ari. Before she settles down, though, she wants one thing for herself. Enter Flynn Bohannon, the sinfully sexy Irish musician in town for her sister's wedding. He's led the kind of free, vagabond life Pru can hardly imagine. Definitely not the kind of guy she should be dating, but he's the perfect guy for a crazy fun fling before her life changes. When Pru proposes a brief, no strings affair, Flynn's not about to say no. But when unexpected complications endanger the adoption, the two find themselves in a phony engagement. Now they have to convince a sharp-eyed, skeptical social worker, a teen who's too smart for her own good, three dubious sisters, and one protective brother-in-law that Flynn's willing to give up the gypsy life and settle down. But in convincing everyone that this relationship is real, will they convince each other as well?

Abandoned by a rogue Betrothed to an earl she had never met, Charlotte Haversham arrived at Balfurin, hoping to find love at the legendary white castle. Instead she found decaying towers and no husband among the ruins. So Charlotte worked a miracle, transforming the rotting fortress into a prestigious girls' school. And now, five years later, her life is filled with purpose—until . . . Seduced by a stranger A man storms Charlotte's castle—and he is not the reprehensible Earl of Marne, the one who stole her dowry and dignity, but rather the absent lord's handsome, worldly cousin Dixon MacKinnon. Mesmerized by the fiery Charlotte, Dixon is reluctant to correct her mistake. And though she's determined not to play the fool again, Charlotte finds herself strangely thrilled by the scoundrel's amorous attentions. But a dangerous intrigue has drawn Dixon to Balfurin. And if his ruse is prematurely revealed, a passionate, blossoming love affair could crumble into ruin. A fugitive woman finds refuge in the arms of a Highland warrior in this historical Scottish romance by the New York Times –bestselling author. Scotland, 1479. When her dagger is found buried in the body of one of the king's men, there is little room for doubt—the perpetrator must pay with her life. But Isabeth Murray Armstrong is no killer, and only one person can help clear her name: Sir Simon Innes, a man so steely and cool that no danger can rattle him. . . . and no woman in distress can sway his heart. Until now. Simon has spent his life searching for truth in a world fraught with deception. But the hauntingly beautiful fugitive seeking his aid affects him so deeply, he wonders if he can trust the flawless judgment he has always relied on. For all signs point to Isabeth's guilt, except one—the unparalleled desire he feels at her slightest touch.

Former Navy SEAL Holden Stanford gave up the only woman he ever loved so she could have the family she wanted. And she ' d found it—with one of his teammates. A betrayal that cut so deep that, years later, it still bled. But his sacrifice was all for naught—the one thing he never wanted for her happened—she lost her husband on the battlefield. Now she's back. In his life, in his space, and opening old wounds. The mere sight of her destroyed him, but seeing her daughter—excruciating. The little girl was a living reminder of everything they lost. The one thing he could never get over. Charleigh Towler understood how one decision could change the trajectory of life. One night, too much alcohol and overwhelming hurt led her to make a bad decision. One she couldn ' t regret because out of that she made her daughter. But it had forever altered her path. For years she ' d paid for her perceived mistake until the man she ' d never stopped loving was almost killed and she reevaluated her life. She was done allowing Holden Stanford to hide. Never one to dally, she packed up her life and moved to Maryland to do something she should ' ve done years ago—fight for the man she loved. Close to getting everything they should ' ve always had, Charleigh ' s life is thrown off its path again—only this time it ' s her daughter ' s life that hangs in the balance. Bobwhites in the Texas panhandle, prairie grouse in the Flint Hills of Kansas, Gambel's quail in New Mexico's arroyos, blue quail on the staked plains, and doves and Mearn's quail in Arizona. In these lyrical essays, Henry Chappell examines the bonds that exist between hunter, hunting dog, land, and prey. At Home on the Range with a Texas Hunter evokes a powerful sense of history and place and never shies from the responsibilities and ethical struggles every hunter faces.

Rebecca Rusch is one of the great endurance athletes of our time. Known today as the Queen of Pain for her perseverance as a relentlessly fast runner, paddler, and mountain bike racer, Rusch was a normal kid from Chicago who abandoned a predictable life for one of adventure. In her new book Rusch to Glory: Adventure, Risk & Triumph on the Path Less Traveled, Rusch weaves her fascinating life's story among the exotic locales and extreme conditions that forged an extraordinary athlete from ordinary roots. Rusch has run the gauntlet of endurance sports over her career as a professional athlete-- climbing, adventure racing, whitewater rafting, cross-country skiing, and mountain biking--racking up world championships along the way. But while she might seem like just another superhuman playing out a fistful of aces, her empowering story proves that anyone can rise above self-doubt and find their true potential. First turning heads with her rock climbing and paddling skills, Rusch soon found herself spearheading adventure racing teams like Mark Burnett's Eco-Challenge series. As she fought her way through the jungles of Borneo, raced camels across Morocco, threaded the rugged Tian Shan mountains, and river-boarded the Grand Canyon in the dead of winter, she was forced to stare down her own demons. Through it all, Rusch continually redefined her limits, pushing deep into the pain cave and emerging ready for the next great challenge. At age 38, Rusch faced a tough decision: retire or reinvent herself yet again. Determined to go for broke, she shifted her focus to endurance mountain bike racing and rode straight into the record books at a moment when most athletes walk away. Rusch to Glory is more than an epic story of adventure; it is a testament to the rewards of hard work, determination, and resilience on the long road to personal and professional triumph.

The last thing he wanted was to fall for a witch... Veterinarian Kat Ramsey hasn ' t a clue that she ' s a witch. Sure, she can read minds, and there ' s the whole “ dimension-hopping ” issue that she can ' t quite control, but Kat is determined to keep things normal. That is, until she accidentally hops into the Otherworld and runs into Matthew Ryan?the seriously hot one-night stand from years ago who shoved her out of his dorm. Naked. And there ' s the tiny matter of the curse she gave him. May you never find satisfaction with another woman. Billionaire and former druid Matthew Ryan hasn ' t forgotten the curse, or the witch who gave it to him. Kat ' s unexpected return means the curse will finally be broken. Unfortunately, his libido has other ideas?like how to get her back into his bed one last time. But far more worrying is his suspicion that Kat is the seventh Pleiades witch. Because while he ' s turned his back on his druidic ways, he ' s still bound to protect the woman who made his life hell. Each book in the Keepers of the Veil series is STANDALONE: * Protecting His Witch * His Witch to Keep * Playing the Witch ' s Game

LIMITED TIME BOX SET RELEASE! Welcome to Crimson Elite, the most exclusive sex club in the world. Enter at your own risk, and always remember our number one rule— You must never speak of Crimson Elite—the punishment is severe. BOOK 1 (CAVALIER) Creed ' Too Hot for Words ' Christopher If God created the perfect man he would closely resemble Creed, on the outside that is. He ' s as cavalier as they come. Unconcerned. Cold. Dismissive. I wonder if he has any feelings at all. And when his lips touch mine, everything goes black. He takes me into his world, and it ' s the most magical thing I ' ve ever experienced. And I ' m sucked in time and time again. Like a moth to the flame, I am ready to be set alight. Elicea ' F'cks With My Head ' Beckham Elicea is a firecracker. She has piqued my interest, and no one piques my interest anymore. Beautiful women are what I do—it ' s my work. Not one of them has managed to get their claws into me the way she does. It ' s as if she ' s seeing my icy heart and trying to melt it, set it alight with each touch of her sinful lips. But that can ' t work, it won ' t work. Not in my world. BOOK 2 (ANGUISHED) It wasn ' t meant to be this way—she shouldn ' t have fallen for my brother and left me for him. But she did. And now I ' m left to pick up the pieces of my shattered, broken heart. And to top it off, they want me to come to their wedding. Do they think I ' m a pushover? Do they think of me as a joke? The old saying stands true, ' Why have enemies when you can have family. ' I understand it now, better than I ever have in my life. There ' s one unexpected surprise though: Storm. She blew in just like one and makes the pain diminish. She ' s exactly as her name describes her—she is a storm. A beautiful and powerful one. But not all things are meant to last. Like a storm that wreaks havoc, some things cause anguish, and in my life she may very well be one of them.

Winner of the Pulitzer Prize for Explanatory Reporting In this Pulitzer Prize-winning collection, Washington Post reporter Eli Saslow traveled across the country over the course of a year—from Florida and Texas to Rhode Island and Tennessee—to examine the personal and political implications and repercussions of America's growing food stamp program. Saslow shows us the extraordinary impact the arrival of food stamps has each month on a small town's struggling economy, the difficult choices our representatives face in implementing this \$78-billion program affecting millions of Americans, and the challenges American families, senior citizens, and children encounter every day in ensuring they have enough, and sometimes even anything to eat. These unsettling and eye-opening stories make for required reading, providing nuance and understanding to the complex matters of American poverty. An eBook short.

Vascular injury is initiated by oxidant injury to the vessel wall. This volume is organized around the role of oxidant damage in this disease process and provides a collection of the most recent studies, representing various disciplines that can serve as the basis for further improvements in our understanding and control of cardiovascular and cerebral vascular disease.

When Lucio Masterton discovers that he has a daughter, the Spaniard takes immediate action. He confronts Kirstie Rivers, the girl's mother, who he is sure has deceived him! But Kirstie believes that Lucio loves only money. She's been hurt badly by the billionaire and is determined that her daughter won't suffer the same fate. However, under the Spanish sun, Kirstie finds she is being ruthlessly pursued by Lucio, who will stop at nothing to take what he feels is his....

The human life alternates between the great, external macrocosm and the invisible inner microcosm. Steiner discusses the various paths of self-development that lead across these two thresholds and to the transformation of human soul-forces into spiritual organs of perception. A brief synopsis: The world behind the tapestry of sensory perceptions; human life between macrocosm and microcosm. The planets and their connection with our sleeping and waking life; consciousness soul, mind soul, and sentient soul. The inner path of the mystic; the cycle of the year; the ability to see through matter; the "greater guardian of the threshold." The nature and development of human soul faculties; the "lesser guardian of the threshold"; the sun at midnight; the results of "sins of omission." The Egyptian mysteries of Osiris and Isis; initiation experiences; the Rosicrucian path; mystics of the Middle Ages. Initiation in the "northern mysteries"; the necessity of suppressing the ego; conscious ascent into the macrocosm and the higher worlds; the world of archetypal images. The four spheres of the higher worlds; the threshold of the spirit world; forces for developing clairvoyant consciousness in the world of archetypal images. The macrocosm mirrored in the human being; the nervous system as an inner solar system; the image of purified blood and the conquest of our lower nature in the symbol of the Rose Cross. Spiritual organs of perception and the strengthening powers of sleep; the thinking of the heart; the ego viewed from twelve perspectives. Reading the akashic record; the transition from intellect to heart thinking; four-dimensional space; intellectual questions have no meaning in relation to conditions before the intellect itself existed. Human and planetary evolution; adaptation to the different states of Earth's existence; the breathing process should not be influenced directly unless knowledge has become prayer.
