Manhasset, New York

It only takes a few page flips to recognize that Atlas of Emergency Neurosurgery is very different; unique is perhaps an understatement. Unlike most contemporary

*Page 119/121*

*atlas-of-emergency-neurosurgery*

textbooks which try to cram as much information as possible onto each page, I found myself staring at lovely, full-page illustrations—each of which would normally be just a

*Page 120/121*

*atlas-of-emergency-neurosurgery*

panel of a figure crammed  
into the corner of a page  
somewhere.
