

## Australian Public Service Fraud Investigation

The AGIS is a cornerstone of the Australian Government's fraud control policy and is the minimum standard for agencies' conducting investigations relating to the programs and legislation they administer. The AGIS is mandatory for all agencies required to comply with the Financial Management and Accountability Act 1997.

The Australian Taxation Office has conducted 883 internal investigations in the past two years. Last year, in 10 agencies, there were 21 cases of alleged corruption, 65 conflicts of interest, and 247 cases of fraud.
