Rights and duties of nurses, military and civilian medical personnel : under the Geneva conventions of August 12, 1949 : Red Cross principles (extracts of the Geneva conventions with comments).

### **Autonomy And Pregnancy A Comparative**

Drawing on the law in England & Wales, the United States of America and Germany, Samantha Halliday focuses on the tension between a pregnant woman's autonomy and medical actions taken to protect the foetus, addressing circumstances in which courts have declared medical treatment lawful in the face of the pregnant woman's refusal of consent.
