The Italian Gothic horror genre underwent many changes in the 1980s, with masters such as Mario Bava and Riccardo Freda dying or retiring and young filmmakers such as Lamberto Bava (*Macabro*, *Demons*) and Michele Soavi (*The Church*) surfacing. Horror films proved commercially successful in the first half of the decade thanks to Dario Argento (both as director and producer) and Lucio Fulci, but the rise of made-for-TV products has resulted in the gradual disappearance of genre products from the big screen. This book examines all the Italian Gothic films of the 1980s. It includes previously unpublished trivia and production data taken from official archive papers, original scripts and interviews with filmmakers, actors and scriptwriters. The entries include a complete cast and crew list, plot summary, production history and analysis. Two appendices list direct-to-video releases and made-for-TV films.

"One of the most momentous debuts in years: A transcendent novel that strikes a deep emotional chord, *My Absolute Darling* combines a page-turning female survival story, an arresting use of language, and a heart-wrenchingly powerful redemptive arc" --

With extraordinary narrative power, New York Times bestselling author

Colleen McCullough sweeps the reader into a whirlpool of pageantry and passion, bringing to vivid life the most glorious epoch in human history. When the world cowered before the legions of Rome, two extraordinary men dreamed of personal glory: the military genius and wealthy rural "upstart" Marius, and Sulla, penniless and debauched but of aristocratic birth. Men of exceptional vision, courage, cunning, and ruthless ambition, separately they faced the insurmountable opposition of powerful, vindictive foes. Yet allied they could answer the treachery of rivals, lovers, enemy generals, and senatorial vipers with intricate and merciless machinations of their own—to achieve in the end a bloody and splendid foretold destiny . . . and win the most coveted honor the Republic could bestow.

Kushiel's Avatar

Philip Roth's fictional alter-ego returns in Zuckerman Unbound, "...masterful, sure in every touch." (The New York Times) The sensationalizing sixties are coming to an end, and even writing a novel can make you a star. The writer Nathan Zuckerman publishes his fourth book, an aggressive, abrasive, and comically erotic novel entitled Carnovsky, and all at once he is on the cover of Life, one of the decade's most notorious celebrities. This is the same Nathan Zuckerman who in Philip Roth's much praised The Ghost

Writer was the dedicated young apprentice drawing sustenance from the great books and the integrity of their authors. Now in his mid-thirties, Zuckerman, a would-be recluse despite his fame, ventures out on the streets of Manhattan, and not only is he assumed to be his own fictional satyr, Gilbert Carnovsky ("Hey, you do all that stuff in that book?"), but he also finds himself the target of admirers, admonishers, advisers, and would-be literary critics. The recent murders of Robert Kennedy and Martin Luther King, Jr., lead an unsettled Nathan Zuckerman to wonder if "target" may be more than a figure of speech. Yet, streetcorner recognition and media notoriety are the least disturbing consequences of writing Carnovsky. Against his best interests, the newly renowned novelist retreats from his oldest friends, breaks his marriage to a virtuous woman, and damages, perhaps irreparably, his affectionate connection to his younger brother and his family. Even when finally he lives out the fantasies of his fans and enjoys an exhilarating night with the beautiful and worldly film star Caesara O'Shea (a rather more capable celebrity), he is dismayed the following morning by the caliber of the competition up in the erotic big leagues. In some of Zuckerman Unbound's funniest episodes Zuckerman endures the blandishments of another New Jersey boy who has briefly achieved his own moment of stardom. He is the broken and resentful fan Alvin Pepler, in the fifties a national celebrity on the TV quiz show "Smart Money." Thrust back into obscurity when headlined scandals forced the quiz show off the air, Pepler now attaches himself to

Zuckerman and won't let go--an "Angel of Manic Delights" to the amused novelist (who momentarily sees him as his "pop self"), and yet also the likely source of a demonic threat. But the surprise that fate finally delivers is more devilish than any cooked up by Alvin Pepler, or even by Zuckerman's imagination. In the coronary-care unit of a Miami Hospital, Nathan's father bestows upon his older son not a blessing but what seems to be a curse. And, in an astonishingly bitter final turn, a confrontation with his brother opens the way for the novelist's deep and painful understanding of the deathblow that Carnovsky has dealt to his own past.

A decade of peace has passed in Terre D'Ange, the country founded by the god Elua. Since the world's most famous courtesan saved her queen from assassination, Ph è dre n? Delauny has been enjoying a quiet life until a prophetic dream calls upon her to serve her gods one last time. But what they ask may be too painful for even an anguissette to bear. When the young son of the traitor Melisande Shahrizai—Imriel de la Courcel, who stands third in line for the crown—is kidnapped, Ph è dre enters an uneasy bargain to find the boy in exchange for the information that will free her beloved childhood friend Hyacinthe from his eternal imprisonment as the new Master of the Straits. When it becomes clear that Imriel's disappearance is part of a larger, far darker scheme, Ph è dre knows it is her sacred duty to end it. At her side is her loving consort Josselin, who will also risk losing himself in Ph è dre ' s gamble to rescue Imriel and save her country from

a spreading darkness. And beyond her doubt, her fear, dangles the promise of a holy mystery so great that it could transform Ph è dre into justice incarnate... or consume her in the flames of her own passion. All of Ph è dre ' s journeys have led here, to the grandest of conclusions in an epic tale of fantasy, adventure, and, above all, love. Kushiel's Avatar is the stunning conclusion to Jacqueline Carey's epic trilogy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Burning with the fires of hope and possibility, AS LONG AS THE LEMON TREES GROW will sweep you up and never let you go. Salama Kassab was a pharmacy student when the cries for freedom broke out in Syria. She still had her parents and her big brother; she still had her home. She was even supposed to be meeting a boy to talk about marriage. Now Salama volunteers at a hospital in Homs, helping the wounded who flood through the doors. She knows that she should be thinking about leaving, but who will help the people of her beloved country if she doesn't? With her heart so

conflicted, her mind has conjured a vision to spur her to action. His name is Khawf, and he haunts her nights with hallucinations of everything she has lost. But even with Khawf pressing her to leave, when she crosses paths with Kenan, the boy she was supposed to meet on that fateful day, she starts to doubt her resolve in leaving home at all. Soon, Salama must learn to see the events around her for what they truly are—not a war, but a revolution—and decide how she, too, will cry for Syria's freedom.

A novel in the bestselling quartet about two very different women and their complex friendship: “Everyone should read anything with Ferrante’s name on it” (The Boston Globe). The follow-up to *My Brilliant Friend*, *The Story of a New Name* continues the epic New York Times–bestselling literary quartet that has inspired an HBO series, and returns us to the world of Lila and Elena, who grew up together in post-WWII Naples, Italy. In *The Story of a New Name*, Lila has recently married and made her entrée into the family business; Elena, meanwhile, continues her studies and her exploration of the world beyond the neighborhood that she so often finds stifling. Marriage appears to have imprisoned Lila, and the pressure to excel is at times too much for Elena. Yet the two young women share a complex and evolving bond that is central to their emotional lives and a source of strength in the face of life’s challenges. In these Neapolitan Novels, Elena Ferrante, “one of the great novelists of our time” (The New York Times), gives us a poignant and universal story about friendship and belonging, a meditation on love and jealousy, freedom and commitment—at once a masterfully plotted page-turner

and an intense, generous-hearted family saga. “Imagine if Jane Austen got angry and you’ll have some idea of how explosive these works are.” —The Australian “Brilliant . . . captivating and insightful . . . the richness of her storytelling is likely to please fans of Sara Gruen and Silvia Avallone.” —Booklist (starred review)

Il termine stagnazione secolare è stato coniato dall'economista Alvin Hansen durante la Grande Depressione (1929-1939). Settantacinque anni dopo, Larry Summers Segretario al Tesoro nell'amministrazione Clinton ed economista di fama mondiale, in un provocatorio intervento

al fmi, si è chiesto se il concetto di stagnazione secolare non sia oggi il più appropriato per descrivere quanto sta accadendo all'economia mondiale. Il suo discorso ha suscitato un animato confronto sulle origini e la durata della crisi economica in corso e sugli strumenti per affrontarla. In questa opera, dopo una rassegna dei principali temi emersi dal dibattito, un saggio seminale di Robert Gordon su crescita economica e sviluppo tecnologico anticipa i temi successivamente esposti nel libro *The Rise and Fall of American Growth*. Segue un importante contributo di Giulio Sapelli su progresso tecnico e classi medie. Nell'ampia sezione di extras, sono riportati gli interventi di Larry Summers e le osservazioni di Paul Krugman sul tema della stagnazione secolare.

The provocative and mind-bending new novel from the bestselling author of *Fight Club* and *Haunted*. Rant takes the form of a (fictional) oral history of Buster "Rant" Casey, in which an assortment of friends, enemies, admirers, detractors, and relations have their say on this evil character, who may or may not be the most efficient serial killer of our time. Buster Casey was every small kid born in a small town, searching for real thrills in a world of video games and action/adventure movies. The high school rebel who always wins - and a childhood murderer? - Rant Casey escapes from his hometown of Middleton into the big city and becomes the leader of an urban demolition derby called Party Crashing, where, on designated nights, the participants recognize each other by dressing their cars with tin-can tails, "Just Married" toothpaste graffiti, and other refuse, then look for special markings in order to stalk and crash into each other. It's in this violent, late-night hunting game that Casey makes three friends. And after his

spectacular death, these friends gather the testimony needed to build an oral history of his short life. Their collected anecdotes explore the charges that his saliva infected hundreds and caused a silent, urban plague of rabies . . . Expect hilarity and horror, and blazing insight into the desperate and surreal contemporary human condition as only Chuck Palahniuk can deliver it. He's the postmillennial Jonathan Swift, the man to watch to learn what's - uh-oh - coming next. Excerpt from RANT: Wallace Boyer (Car Salesman): Like most people, I didn't meet and talk to Rant Casey until after he was dead. That's how it works for most celebrities, after they croak their circle of close friends just explodes. A dead celebrity can't walk down the street without meeting a million best buddies they never met in real life. Dying was the best career move Jeff Dahmer and John Wayne Gacy ever made. . . . The way Rant Casey used to say it: Folks build a reputation by attacking you while you're alive-or praising you after you ain't.

"I mean, it's not as if I want a father. I have a father.

It's just that I don't know who he is or where he is. But I have one." Ramiro Lopez and Jake Upthegrove don't appear to have much in common. Ram lives in the Mexican-American working-class barrio of El Paso called "Dizzy Land." His brother is sinking into a world of drugs, wreaking havoc in their household. Jake is a rich West Side white boy who has developed a problem managing his anger. An only child, he is a misfit in his mother's shallow and materialistic world. But Ram and Jake do have one thing in common: They are lost boys who have never met their fathers. This sad fact has left both of them undeniably scarred and obsessed with the men who abandoned them. As Jake and Ram overcome their suspicions of each other, they begin to move away from their loner existences and realize that they are capable of reaching out beyond their wounds and the neighborhoods that they grew up in. Their friendship becomes a healing in a world of hurt. San Antonio Express-News wrote, "Benjamin Alire Sáenz exquisitely captures the mood and voice of a community, a culture, and a generation"; that is proven

again in this beautifully crafted novel.

The vegetation in Wadi El Gemal National Park in Egypt's Eastern Desert is more diverse than might first be expected, but even more surprising is the relationship that the desert

dwellers continue to have with the plant life in their habitat, despite the increasing modernization of their world. As a ranger in the park, Tamer Mahmoud quickly realized the importance of surveying, identifying, and documenting the indigenous plants, and recording the information he compiled from interviews with the local community about how they use the plants for food, healing, animal fodder, and fuel. The result is this detailed and colorful guide, which includes photographs of each plant, the scientific name and local name in Arabic and English, and information on location, distribution, uses, and ecology. A glossary, bibliography, visitors' information section and distribution maps make this a comprehensive reference work that will interest visitors, scientists, anyone interested in the flora of arid areas, and even anthropologists.
