

Bible On The Go Vol 22 2 Chronicles 36 Ezra 1 6 Nehemiah 7 8

Read the Holy Bible like a novel, not like a textbook! This version of the Holy Bible capitalizes on a new presentation style that has become more popular over the last few years, and one that is closer to the original version than most current ones. We've dispensed with chapter and verse numbers (they weren't added until the 1200s and 1500s, respectively), and we've put books that were split apart because they wouldn't fit on a single scroll (e.g., Ezra and Nehemiah) back into single books. We've also rearranged some of the books so they follow a more logical timeline and progression. We keep books with the same audience or author, or same theme or timeline, together. This makes it more cohesive for you to read. We've used the World English Bible, a readable translation that allows you to traverse the whole of God's word in thoroughly modern language. We hope you enjoy reading this new version of the Holy Bible, and may Yahweh bless you!

The Bible is accurate and without error! Demolishing Supposed Bible Contradictions Volume 2 offers 40 powerful explanations to prove it. There is an increasing focus in our culture on dismissing the Bible and its authority. Generations of skeptics and the religion of evolution have influenced even some Christian leaders. By highlighting supposed errors or inconsistencies in the Bible, doubt is created in the minds of believers and stumbling blocks are put up for those trying to present the Gospel. But Biblical evidence disproves the toughest of critics while bringing to light the indestructible power of God's Word. Tim Chaffey, Ken Ham, and Bodie Hodge of Answers in Genesis highlight the answers to these debates and more: Is all Scripture inspired by God, or is some of it the opinion of the writers of Scripture? After His resurrection, did Jesus first appear to the eleven disciples on a mountain in Galilee or in Jerusalem behind closed doors? Can God be tempted? Why don't Christians follow all the Old Testament laws? Demolishing Supposed Bible Contradictions Volumes 1 and 2 are must-have references for every believer who wants to have an answer to give to those who ask a reason for their hope (1 Peter 3:15). Join the battle armed with the sword of Spirit, the truth that will defeat the lies aimed for this generation and those to follow.

In this second volume of a three-volume set, each of the 27 books included in the New Testament will be reviewed in detail. Who wrote them and when, their theology, and other pertinent background information will be discussed to explain why they were included in the New Testament. Arguments against the traditional viewpoints on these books will be addressed.

Radio messages from J. Vernon McGee delighted and enthralled listeners for years with simple, straightforward language and clear understanding of the Scripture. Now enjoy his personable, yet scholarly, style in a 60-volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight. Each volume includes introductory sections, detailed outlines and a thorough, paragraph-by-paragraph discussion of the text. A great choice for pastors - and even better choice for the average Bible reader and student! Very affordable in a size that can go anywhere, it's available as a complete 60-volume series, in Old Testament or New Testament sets, or individually.

Bible Story Questions Volume One is a tool to help families study the Bible together. Each of the 237 lessons in the first volume focuses on a short Bible passage to read from your own Bible. Each lesson is divided into four sections: a main thought and three sets of questions corresponding to the head, heart, and hands. The main thought is intended to focus the discussion on a foundational concept to be learned from the story. Head questions probe children's understanding of the text. Heart questions help children connect their understanding of the text with their heart attitudes. Hand questions probe how the hearts of biblical characters or the hearts of children affect what they do and say. The questions are not an end in themselves. They are meant to encourage a deeper study of Scripture. The answers are not given, but should be readily available from the text itself or from a good commentary or Bible atlas.

The Oxford Handbook of Feminist Approaches to the Hebrew Bible

In the much anticipated follow-up to his volume one book on Biblical Meditation, Pastor Mark Roberson does it again in Tapping into the Power of Biblical Meditation, volume 2! Picking up where he left off, Pastor Mark takes his readers into further understanding the spiritual principle of biblical meditation by captivating them with an illustrative story. With his simplistic writing style that makes you feel like he ' s talking directly to you, Pastor Mark hits a home run by using this story to explain the power of biblical meditation. Every page is filled with a clear understanding of this powerful spiritual truth that will leave you spellbound! If you ' ve ever desired a book that will revolutionize your life, this is the one! Allow Pastor Mark Roberson to become your personal coach as he expands you from the inside to cause a breakthrough on the outside! Your thinking will change! Your perspective will be transformed! Your believing will go to another level as he stretches you to reach for that which you ' ve never grasped before! As he so explains it, biblical meditation allows the Word of God to sink deep into your heart, sink deep into your thinking, and sink deep into your believing! Which, in turn, will affect your speaking and your receiving! So get ready to be empowered because as you read this book, you will expand your capacity to believe for more! You will expand your capacity to receive more! And you will expand your capacity to live the life that God has promised you can live! One Word from God, and you will never be the same again!

This volume examines the development and use of the Bible from late Antiquity to the Reformation, tracing both its geographical and its intellectual journeys from its homelands throughout the Middle East and Mediterranean and into northern Europe. Richard Marsden and Ann Matter's volume provides a balanced treatment of eastern and western biblical traditions, highlighting processes of transmission and modes of exegesis among Roman and Orthodox Christians, Jews and Muslims and illuminating the role of the Bible in medieval inter-religious dialogue. Translations into Ethiopic, Slavic, Armenian and Georgian vernaculars, as well as Romance and Germanic, are treated in detail, along with the theme of allegorized spirituality and established forms of glossing. The chapters take the study

of Bible history beyond the cloisters of medieval monasteries and ecclesiastical schools to consider the influence of biblical texts on vernacular poetry, prose, drama, law and the visual arts of East and West.

Pastors and students who want a one-volume commentary to complement the New Interpreter's Study Bible will be pleased to find in this resource the quality of scholarship that is a hallmark of other New Interpreter's Bible resources. The portability, accessibility, and affordability of the one-volume commentary will appeal to professors and students as well as lay persons and pastors. This commentary contains articles on all the books of the Bible, including the Apocrypha, as well as numerous general articles on biblical interpretation, geographical and historical setting, religion, text, canon, translation, Bible and preaching/teaching, with bibliographies for each article. Extra value includes: chronology/timeline, table of measures and money, and a subject index. Old Testament Editor: Dr. David L. Petersen, Franklin Nutting Parker Professor of Old Testament, Emory University. Professor Petersen's current research focuses on the book of Genesis and on prophetic literature. An ordained Presbyterian minister, Dr. Petersen has written, coauthored, or coedited a number of scholarly and popular books and articles. He was the senior Old Testament editor for The New Interpreter's Bible. Professor Petersen is a past president of the Society of Biblical Literature. New Testament Editor: Dr. Beverly Roberts Gaventa, Helen H.P. Manson Professor of New Testament Literature and Exegesis, Princeton Theological Seminary. Dr. Gaventa, whose specialties within the field of New Testament are the letters of Paul and Luke-Acts, is widely published. She is a member of the advisory board for the New Testament Library, a new commentary series for Westminster John Knox Press; editor of the Society of Biblical Literature's Resources for Biblical Studies and a member of the editorial board of its Journal of Biblical Literature; and associate editor of the Catholic Biblical Quarterly.

In this insightful interpretation of the Holy Bible, the profound spiritual and power-bestowing truths of the sacred language of such Old Testament stories as the Creation, the Flood and Tower, the Life of Joseph as a Mystery Drama, and Moses and the Exodus are liberated from their cryptic enclosure. The second of a two-part abridgement, published in 1994.

This complete interlinear Bible, available in English, is keyed to "Strong's Exhaustive Concordance." Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes the literal translation of the Bible in the outside column.

Revised edition. Volume 4 of 5. The Zondervan Encyclopedia of the Bible has been a classic Bible study resource for more than thirty years. Now thoroughly revised, this new five-volume edition provides up-to-date entries based on the latest scholarship. Beautiful full-color pictures supplement the text, which includes new articles in addition to thorough updates and improvements of existing topics. Different viewpoints of scholarship permit a wellrounded perspective on significant issues relating to doctrines, themes, and biblical interpretation. The goal remains the same: to provide pastors, teachers, students, and devoted Bible readers a comprehensive and reliable library of information. • More than 5,000

pages of vital information on Bible lands and people • More than 7,500 articles alphabetically arranged for easy reference
• Hundreds of full-color and black-and-white illustrations, charts, and graphs • 32 pages of full-color maps and hundreds of black-and-white outline maps for ready reference • Scholarly articles ranging across the entire spectrum of theological and biblical topics, backed by the most current body of archaeological research • 238 contributors from around the world

Apocrypha

The Four Gospels

Exploring Forty Alleged Contradictions

This first volume in an exciting new series for laity provides an accessible study of some of the Bible's most important themes. Respected author W. Eugene March traces the understanding of key themes through the Old and New Testaments, such as God, covenant, and sin, and demonstrates their importance for Christian life today.

Discussion questions are included in each chapter to enhance the usefulness of this book for church study groups.

ELLCOTT'S COMMENTARY ON THE WHOLE BIBLE is a practical and ideal commentary for Sunday school teachers, Christian workers, Bible students, libraries, and ministers. Each of the durably bound volumes in this handsome set is designed with an eye to the convenience of the user. The large, double-column pages are distinctive and easy-to-read. The helpful running commentary is always on the same page with the actual Bible text, making it simple for the user to locate the information he or she seeks. The comments in every case are crisply written and wonderfully practical and up-to-date. You, the user, will not have to read pages of extraneous material to get the important information. If you ever need help for: Sunday sermons Prayer Meeting talks Messages for Young People's Groups, etc. Sunday school lessons Personal Bible study Messages for special occasions you will find it in

ELLCOTT'S COMMENTARY ON THE WHOLE BIBLE.

In six years, Galileo Galilei went from being a mathematics professor to a star in the court of Florence to a target of the Inquisition. And during that time, Galileo made a series of astronomical discoveries that reshaped the ideas of the physical nature of the heavens and transformed him from a university mathematician into a court philosopher.

Galileo's Instruments of Credit proposes radical new interpretations of key episodes of Galileo's career, including his telescopic discoveries of 1610, the dispute over sunspots, and the conflict with the Holy Office over the relationship between Copernicanism and Scripture. Galileo's tactics shifted as rapidly as his circumstances, argues Mario Biagioli,

and these changes forced him to respond swiftly to the opportunities and risks posed by unforeseen inventions, other discoveries, and his opponents. Focusing on the aspects of Galileo's scientific life that extended beyond court culture and patronage, Biagioli offers a revisionist account of the different systems of exchanges, communication, and credibility at work in Galileo's career. Galileo's Instruments of Credit will fascinate readers interested in the history of astronomy and the history of science in general.

Ellicott ' s Commentary on the Whole Bible Volume VI

Volume 37 Sermons 2182-2236 Charles Spurgeon (19 June 1834 – 31 January 1892) is one of the church ' s most famous preachers and Christianity ' s foremost prolific writers. Called the “ Prince of Preachers, ” he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6* (1878) quoting an article from the Times regarding one of Spurgeon ' s meetings at Surrey: “ Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but

always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity. ” More than a hundred years after his death, Charles Spurgeon ’ s legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon. The Oxford Handbook of Feminist Approaches to the Hebrew Bible brings together 37 essential essays written by leading international scholars, examining crucial points of analysis within the field of feminist Hebrew Bible studies. Organized into four major areas - globalization, neoliberalism, media, and intersectionality - the essays collectively provide vibrant, relevant, and innovative contributions to the field. The topics of analysis focus heavily on gender and queer identity, with essays touching on African, Korean, and European feminist hermeneutics, womanist and interreligious readings, ecofeminist and animal biblical studies, migration biblical studies, the role of gender binary voices in evangelical-egalitarian approaches, and the examination of scripture in light of trans women's voices. The volume also includes essays examining the Old Testament as recited in music, literature, film, and video games. The Oxford Handbook of Feminist Approaches to the Hebrew Bible charts a culturally, hermeneutically, and exegetically cutting-edge path for the ongoing development of biblical studies grounded in feminist, womanist, gender, and queer perspectives.

The second half of the story is told in this volume of Unlocking the Bible Story, as Colin S. Smith continues to uncover the truths of and in the Bible. Christ is the crux of the entire Bible story, from the first page to the last. Volume 3 encourages and strengthens readers to discover the life-changing realities found in the New Testament.

Northwestern Christian Advocate

Today there are untold voices in print, on television, and online calling for our attention, and so many of these mock or belittle our faith. From coworkers to those calling themselves Christians, the tone has become one of reproach, disparaging the character of God and undermining the authority of the Bible. For those who have a heart for God, it can be intimidating and discouraging. How Do We Know the Bible is True? is based on the absolute authority of God ’ s Word, not man-centered explanations. Clearly presented, it will help bring

clarity in a world filled with increasingly vague notions of truth. Over 20 relevant issues are discussed including: Is the Bible totally without error? Did the resurrection really happen? How do we know that the 66 books of the Bible are from God? Does the Bible contradict itself? How were people saved before Jesus came? What is the purpose and meaning of life? Did miracles really happen? Was Genesis derived from ancient myths? How should we interpret the Bible; should Genesis be literal? Do you have to believe in a young earth to be saved? Within these pages you will find responses to those honest questions of faith, helping to build a confidence in God's Word and inspiring your daily walk in His grace and peace. These powerful biblical insights are soundly presented by more than a dozen respected defenders of the faith, including Ken Ham, John MacArthur, Terry Mortenson, Jason Lisle, Brian Edwards, Tommy Mitchell, Jobe Martin, Georgia Purdom, Bodie Hodge, and Roger Patterson.

Part of the Studies in Antiquity series, these 21 essays feature interpretations of the Hebrew Bible using the comprehensive, interpretive methodology developed by Rolf P. Knierim.

This Volume Three of a three volume set covers books not included in the New Testament. These books include the writings of the Apostolic Fathers, who were Church leaders and writers of the late first to mid-second centuries, along with "apocryphal" books, both orthodox and Gnostic. Among these apocryphal books are some that have received much publicity of late and from which many people derive their ideas of early Christian history.

Discourses Upon Holy Scripture

Proceeding from Voltaire's conclusion that "God is a comedian playing to an audience that's afraid to laugh," this book seeks to uncover some of the many instances in which biblical texts offer readers grace and insight through the divine gifts of humor, wit, and laughter. Readers are invited to take a strikingly unusual, if not unique, approach to the texts, imagining not only the voice inflections but also the body language of their narrators to capture the humorous nuances and ripples of laughter that likely attended the first telling of many biblical stories.
