This book deals with all the important aspects of the creation-evolution question from a strictly scientific point of view, attempting to evaluate the physical evidence from the relevant scientific fields without reference to the Bible or other religious literature. It demonstrates that the real evidences dealing with origins and ancient history support creationism rather than evolutionism. This General Edition (rather than the Public School Edition) includes a chapter, "Creation According to Scripture," which places the scientific evidence in its proper Biblical and theological context.

Astonishing Biblical Discoveries

The New King James Version

The Deciphering of a Millenary Notation

En las profundidades del desierto de Egipto fue enterrado un evangelio, tan antiguo y auténtico como cualquiera de los evangelios que recoge la biblia cristiana. En el siglo IV un edicto anunció que todas sus copias debían ser destruidas. Afortunadamente, algunos monjes rebeldes fueron lo suficientemente sabios como para negarse, y gracias a su desobediencia y coraje espiritual hoy tenemos varios manuscritos del único evangelio escrito por una mujer: El Evangelio de María Magdalena El Evangelio de María revela un amor radical que reside en el corazón de la historia cristiana. En su evangelio se afirma que no somos pecadores; que no debemos sentirnos avergonzados ni indignos de ser humanos. De hecho, nuestro propósito es ser plenamente humanos, ser 'un verdadero ser humano'. Y esto significa reconocer que sí, que nuestro ego es confuso y tiene límites. Sin embargo, nuestra alma es ilimitada. Y todo lo que debemos hacer es dirigir nuestra atención hacia nuestro interior (una y otra vez); y, como nos enseña su evangelio, meditar como María Magdalena para poder ver más allá del ego de nuestras pequeñas vidas y alcanzar lo que es más real, más perdurable, e infinito. Y que está aquí, dentro de nosotros. Con una claridad abrumadora, Watterson nos explica cómo y por qué María Magdalena llegó a ser considerada una prostituta penitente, y describe de una forma histórica y teológicamente más exacta quién fue María en el seno del antiguo movimiento cristiano. La autora comparte con los lectores de qué forma su descubrimiento del evangelio de María le ha permitido experimentar y practicar un amor que nunca se acaba, un amor que todo lo transforma.

In recent years our knowledge of the individual parts of the Bible has increased greatly, but our understanding of how they fit together has not kept pace. In particular, the relationship between the Old and New Testaments has been a neglected field of study. The latest in IVP's developing family of New Dictionaries, the 'New Dictionary of Biblical Theology' is an essential tool for students, preachers and ministers, as well as for scholars and others seeking a better grasp of the Bible's teaching. The aim of this prestigious dictionary is to integrate the various biblical books and themes into the overarching story of the Scriptures. The volume embodies three perspectives on biblical theology, which are reflected in its structure.

One of the First Books to Demonstrate the Power of Positive Thoughts Fresh with contemporary relevance, this classic of positive thinking from one of the world's greatest motivational writers offers stirring insights on self-transformation. Based on Emmet Fox's simple message that "thoughts are things" and all potential rests in their creative and constructive use, these thirty-one inspiring essays show how to have it all—health, success, happiness, and a liberated spirit—through the power of constructive thought. First published in 1940, Power Through Constructive Thinking has been a never-failing source of strength and renewal for generations of readers.

The Powerful Gifts Available to You Everybeliever has been given at least one supernatural gift of the Holy Spirit. Do you know which you have and how to operate in it? Internationally renowned Bible teacher Derek Prince explains that any believer who is not manifesting gifts of the Spirit is living far below the level of God’s provision for his life. Prince reveals how to: Minister to others through the gifts Discern the counterfeit Witness through spiritual gifts Stir up the gift within you One of our greatest necessities in the church today is to demonstrate through the power of the Spirit that Jesus is alive and that His gospel is true. The world needs to see the manifestation of the presence of God. Believers need the ministry of Christ through spiritual gifts. The Gifts of the Spirit reveals how we can fulfill both of these needs—practically and powerfully.

A much anticipated reissue of Who Wrote the Bible?—the contemporary classic the New York Times Book Review called “ a thought-provoking [and] perceptive guide ” that identifies the individual writers of the Pentateuch and explains what they can teach us about the origins of the Bible. For thousands of years, the prophet Moses was regarded as the sole author of the first five books of the Bible, known as the Pentateuch. According to tradition, Moses was divinely directed to write down foundational events in the history of the world: the creation of humans, the worldwide flood, the laws as they were handed down at Mt. Sinai, and the cycle of Israel ’ s enslavement and liberation from Egypt. However, these stories—and their frequent discrepancies—provoke questions: why does the first chapter in Genesis say that man and woman were made in God ’ s image, while the second says that woman was made from man ’ s rib? Why does one account of the flood say it lasted forty days, while another records no less than one hundred? And why do some stories reflect the history of southern Judah, while others seem sourced from northern Israel? Originally published in 1987, Richard Friedman ’ s Who Wrote the Bible? joins a host of modern scholars who show that the Pentateuch was written by at least four distinct voices—separated by borders, political alliances, and particular moments in history—then connected by brilliant editors. Rather than cast doubt onto the legitimacy of the Bible, Friedman uses these divergent accounts to illuminate a text that was written by real people. Friedman ’ s seminal and bestselling text is a comprehensive and authoritative answer to the question: just who exactly wrote the Bible?

Una variedad de nuevos hallazgos arqueológicos y descubrimientos reveladores en la antigua ciudad escondida debajo de Jerusalén llevan a una aturdidora conclusión: la generación viva en la actualidad presenciará el retorno de Cristo.La evidencia, descubierta por el experto en profecía a Grant R. Jeffrey, es aturdidora: Las autoridades judías están preparándose para reconstruir el templo de Jerusalén. En silencio han recuperado los artefactos perdidos del templo antiguo y han reproducido los utensilios sagrados de adoración. El nuevo Sanedrín, ahora reunido en Israel, está capacitando a los sacerdotes levitas para reinstaurar el sacrificio de animales. Estos asombrosos sucesos tienen una significación profética de largo alcance.En este libro examinará profecía bíblica y datos de investigación que, en conjunto, resuelven los misterios de los tiempos del fin, incluyendo:
* La búsqueda de los tesoros perdidos del templo.* Descubrimientos reveladores debajo del suelo de Jerusalén.* El proceso de reproducir los utensilios sagrados del templo.* Indicios inesperados revelados en el Rollo de cobre y en las Tablillas de Ezequiel.* Los planes más recientes para reconstruir el templo.Únase al Dr. Jeffrey mientras revela respuestas a preguntas que han tenido prelejos durante siglos a los que estudian la profecía. Respuestas que señalan a la conclusión inequívoca de que esta es en verdad la última generación.

A día de hoy la ciencia ha avanzado lo suficiente como para pronunciarse sobre la existencia-o la inexistencia- de un Dios que se ajuste al modelo expuesto por la tradición judeo-cristiana-islámica. El autor nos invita a discurrir y emplear el método científico para ponderar tal afirmación.

An array of new archaeological finds and revealing discoveries in the ancient city hidden beneath Jerusalem lead to a stunning conclusion: The generation alive today will witness the return of Christ. The evidence—uncovered by prophecy expert Grant R. Jeffrey—is breathtaking: Jewish authorities are preparing to rebuild the Temple in Jerusalem. Quietly they have recovered lost artifacts from the ancient Temple and have recreated sacred worship vessels. The new Sanhedrin, now reconvened in Israel, is training Levite priests to reinstitute animal sacrifice. These remarkable developments have far-reaching prophetic significance. In this book you will examine the biblical prophecies and research data that together solve end-times mysteries, including :
·The search for lost Temple treasures
·Revealing discoveries in underground Jerusalem
·The process of recreating sacred Temple vessels
·Unexpected clues revealed in the Copper Scroll and the Ezekiel Tablets
·The latest plans for rebuilding the Temple
Join Dr. Jeffrey as he uncovers answers to questions that have perplexed students of prophecy for centuries. Answers that point to the unmistakable conclusion that this is truly the last generation.

Conheça as bases que serviram de subsídio para a versão da Bíblia mais admirada e influente em todo o mundo: a BKJ. David Norton, professor de língua inglesa na Victoria University of Wellington, aponta a BKJ como o livro mais importante da religião e da cultura inglesa, símbolo do processo de ressignificação e e estruturação da língua inglesa por meio da estrutura, referência literária e linguagem poética da BKJ. A Bíblia King James - Uma Breve História de Tyndale até Hoje parte de uma análise histórica ao remontar as origens da BKJ, a erudição dos tradutores, a pesquisa no diário e biblioteca pessoal de um dos tradutores dessa tão importante obra. Norton examina toda a riqueza de detalhes presentes na página inicial da primeira edição de 1611, desde o título até a sua expressão e estrutura textual. Além disso, aponta que a fórmula que compõe, de forma geral, a riqueza dessa obra é sua linguagem e a maneira que as ideias foram transmitidas em inglês. Por que de Tyndale até hoje? Segundo o autor, a Bíblia de Tyndale foi a primeira tradução inglesa a partir dos originais grego e hebraico,contribuindo posteriormente para formaçoad da BKJ. Então, quem foi Tyndale? O que ele pretendia? Por que ele foi considerado um mártir? Essas perguntas são respondidas quando o próprio Tyndale, a um importante clérigo, diz: “Se Deus poupar minha vida aqui por muitos anos, farei o menino que guia o arado saber mais das Escrituras do que você sabe”. The Key to Releasing God's Power in Your Life

Why a theology of prayer? Because counterfeit prayer abounds, we need Scripture's guidance, writes Thomas Constable. Praying as God desires requires considering what God has revealed about it. As we give prayer our careful attention, we gain greater understanding of what he intends it to be. Constable details the different forms of communication God invites us to use. He identifies the counterfeits that pass for prayer, discusses the conditional nature of prayer, and explains why some prayers seem to go unanswered.

La Biblia es el libro más leído en el mundo, y millones de fieles siguen sus palabras con fe. Pero... ¿sabemos realmente quién la escribió? ¿Y si la Biblia que leemos es falsa? En la isla de Patmos, en Grecia, donde según la tradición se encuentra la cueva en la que el apóstol san Juan recibió la revelación del Apocalipsis para hacerla llegar a la humanidad, está a punto de ocurrir uno de los anuncios más importantes del mundo: la verdadera historia de la Biblia, que ha sido ocultada a los creyentes durante siglos por las cúpulas del poder eclesiástico, será por fin revelada. Cuando los Centinelas del Apocalipsis intenten sabotear el anuncio, Max León, policía mexicano de investigación, junto con John Apóstole, la traicionera Serpentina Lotan y Clara Vanthi, se verá obligado a recorrer las islas griegas para dar con la Biblia original. Perseguido y bajo amenaza de muerte, descubrirá la existencia de la escriba judía que alteró la Biblia por primera vez para servir a los planes de dominación mesopotámicos, pero que resguardó el texto original -el llamado "Documento J", de 4000 años de antigüedad- que desean encontrar y destruir tanto religiosos como líderes del mundo actual. Aunque esta novela se narra como una historia de ficción, los hechos que describe son reales y de tal alcance que no dejarán indiferente a ningún lector, sea creyente o escéptico. ENGLISH DESCRIPTION The Bible is the most-read book in the world, and millions of believers follow it faithfully. But do we really know who wrote it? What if the Bible we read is fake? According to tradition, John the Apostle received a revelation of the Apocalypse in a cave on the Greek island of Patmos. There, one of the most important announcements in the world is about to take place: the true history of the Bible, which has been hidden from believers by church leaders for centuries, will finally be revealed. When the Sentinels of the Apocalypse try to sabotage the announcement, Max León, of the Mexican police, finds himself forced to traverse the Greek Isles to find the original Bible along with John Apóstole, the two-faced Serpentina Lotan, and Clara Vanthi. Persecuted and threatened with death, he discovers the existence of the Jewish scribe who altered the Bible for the first time in order to serve the Mesopotamian plans for domination, but who kept the original text—the 4000 year-old so-called "J Document"—which both religious and secular leaders of the modern world want to find and destroy. Although this novel is narrated as a fiction story, the facts it describes are so real and significant that no one—believer or skeptic—will remain indifferent.

This is a translation by Dennis Weber, edited by John Wheeler and jointly published with King David’s Harp, in which a noted French musicologist argues that the accentual system preserved in the Masoretic Text was originally a method of recording hand signals (chironomy) by which temple musicians were directed in the performance of music. She explains her reconstruction of these notations which has allowed her to perform haunting and beautiful music around the worlds using only the Hebrew text as a score.

--WALL STREET JOURNAL BESTSELLER-- The Gospel of Mary Magdalene reveals a very different love story from the one we've come to refer to as Christianity. Harvard-trained theologian Meggan Watterson leads us verse by verse through Mary's gospel to illuminate the powerful teachings it contains. A gospel, as ancient and authentic as any of the gospels that the Christian bible contains, was buried deep in the Egyptian desert after an edict was sent out in the 4th century to have all copies of it destroyed. Fortunately, some rebel monks were wise enough to refuse-and thanks to their disobedience and spiritual bravery, we have several manuscripts of the only gospel that was written in the name of a woman: The Gospel of Mary Magdalene. Mary's gospel reveals a radical love that sits at the heart of the Christian story. Her gospel says that we are not sinful; we are not to feel ashamed or unworthy for being human. In fact, our purpose is to be fully human, to be a "true human being"- that is, a person who has remembered that, yes, we are a messy, limited ego, and we are also a limitless soul. And all we need to do is to turn inward (again and again); to meditate, like Mary Magdalene, in the way her gospel directs us, so that we can see past the ego of our own little lives to what's more real, and lasting, and infinite, and already here, within. With searing clarity, Watterson explains how and why Mary Magdalene came to be portrayed as the penitent prostitute and relates a more historically and theologically accurate depiction of who Mary was within the early Christ movement. And she shares how this discovery of Mary's gospel has allowed her to practice, and to experience, a love that never ends, a love that transforms everything.

Are Roman Catholics REALLY Christians? This eye-opening book examines 37 main Catholic doctrines, quoting official Catholic doctrine, then compares each doctrine with the Word of God. Written in a loving style, yet without compromising, this book clearly shows the eternal destiny of those who follow the pope of Rome. If you want to talk intelligently with Catholics about their salvation, you first must know what they believe. If you are like most Christians you will be shocked when you learn what Catholicism really teaches. Must reading for every Chrisitan who knows or talks with any Roman Catholics.
