## The Biology EOC • The Biology 1 EOC

assessment is delivered  
via computer-based test.

- The assessment is given in one 160 session with a 10 minute break after the first 80 minutes. Any student not finished by the end of the 160 minutes may continue working but, the test must be completed within the

Biology I is a laboratory  
Page 93/106

science course that investigates the relationship between structure and function from molecules to organisms and systems, the interdependence and interactions of biotic and abiotic components of the environment, and mechanisms that maintain continuity and lead to changes in populations over time.

*Page 94/106*

Students explore  
biological concepts  
through an inquiry  
approach.
