About Birthing From Within For more than 20 years, Birthing From Within has been training birth professionals to prepare parents for birth in a way that awakens their inner knowing, is unattached to specific outcomes, and helps to prevent birth trauma.

### Birthing From Within

Birthing From Within advocates for mothers to allow their bodies to do the work of labor without much medical intervention. I can get behind that for the most part, but I think all birth books should discuss the historical and current mortality rates associated with giving birth.
