Ludwig the Space Dog

A gripping illustrated account of the historic first moon landings in July 1969, celebrating the 50th anniversary of this milestone in space exploration Pacey, accessible text recounts the story of the first moon landing, from its beginnings in

the Space Race, to early missions, the successful Apollo 11 voyage, Armstrong's legendary first steps on the moon and the astronauts' heart-stopping return to Earth Fully illustrated throughout, with fresh, modern artwork breathing new life into this famous story. Perfect for readers aged 8 and up.

Zooooooooom! We're off on an exciting space adventure in our rocket to meet all the planets of the solar system. Join in with the rhymes and spot all the smiley-faced, friendly planets, from shimmering Saturn to mighty Mars. Little ones will have a blast (and be back in time for bed!) in this striking, read-aloud, story-led picture book. It's perfect for all would-be astronauts! A special edition where the words and pictures take you on a journey far beyond the page. This audio-enabled eBook comes with a gorgeous reading by Sarah Ovens, along with music and sound

effects.

Meet Belka and Strelka, the two dogs who changed the face of space history and became international celebrities in the process! In 1960, two stray dogs were plucked from the streets of Moscow to become space pioneers. This quirky and delightful picture book tells the incredible true story of these heroic strays. Selected from a number of potential canine cosmonauts, Belka and Strelka are put through their paces on the ground, as they practice rocket simulations and wearing spacesuits, before being launched into outer space as the first ever living creatures to successfully orbit the Earth. Miraculously, the dogs survive the mission and upon their return embark on a tour of the USSR, clad in their carefully tailored jumpsuits - one red, one green - becoming international celebrities. As for their legacy, less than a year after their safe

return the Soviet space programme felt confident enough to send the first human into space.

On a visit to the Dinosaur Wildlife Park, Bizzy Bear discovers some interesting footprints. Where do they lead and to which dinosaur do they belong? Another exciting adventure for the world's most intrepid bear!

Learn new words and practice motor skills and shape recognition with this playful book of opposites. Press out the shape and turn the page to complete a new picture. Best of all, ask a grown-up to play along with you. From 'take' and 'give' and 'break' and 'build' to 'now you see me', 'now you don't!' till you rediscover the red circle of the beginning, now become an apple. Once you're there, you can go backwards through the book and do it all again! This stunning and robust novelty book contains 9 press-put pieces and a surprise mylar mirror.

Share a love of reading with your child with this fun-filled book about

first words. This interactive book features bold pop-ups that make pictures jump from the pages when the flaps are lifted. With fun surprises on every page, Pop-Up Peekaboo: First Words enhances the reading experience and builds an early learning foundation. As young children explore the spreads, they will learn to recognize, name, and describe the pictures they see. "Follow the holes to read the story in this interactive flying adventure! Little ones will love finding the holes with their fingers, peeping through and turning the page to see what they become. With a gentle rhyming text encouraging children to say what they can spy in every scene, this is a journey through the

stars to visit time and time again."--Provided by publisher. Kids don't have to wait until they grow up to make the world a better place! The newest Kathie Lee Gifford book empowers children to find unique ways to make a difference in the lives of those around them. The Gift That I Can Give is a heartwarming story that shows how all children can do something today to make a positive impact on others. From simply being kind to giving a loved one an extra-big hug to cheering for a friend, this story will inspire children with countless ways to show God's love. They'll want to read it again and again. The Gift That I Can Give: highlights big gifts and points

them back to God, like the ability to sing, play sports, and dance. encourages quieter gifts as well, like encouragement, empathy, gratitude, kindness, and sharing God's love. is a great bedtime story, grandparent story, or encouraging story to a child who is struggling. Kathie Lee is a trusted voice who feels like a friend for countless people. With her strong faith, enthusiasm, and playful writing, she appeals to young hearts and encourages them with the message that no one is too young or too small to share their gift with others. Additional praise for *The Gift That I Can Give*: "The pictures are adorable, and the message is so important: teaching

kids to be generous with their hearts. I can't wait to read this to my little ones!" --Savannah Guthrie, co-anchor of the Today show and NBC News Chief Legal Correspondent "Kathie Lee has given us all a gift with the beautiful message in this book: to love and embrace your unique self. It's an important lesson for children and a refreshing reminder for the rest of us." --Siri Daly, author and Today food contributor

Bizzy Bear: Pizza Time

A fun board book featuring a busy little bear on a busy adventure with Santa

Clause! With lots of chunky sliding mechanisms for little hands to play with. "Bizzy Bear is working on a very special building project! A sturdy liitle book with sliders and tabs to push and pull"--Page 4 of cover.

With Search & Find Shapes, toddlers will delight in learning about shapes and the world around them. The bright and colorful pages feature objects to find and simple prompts that encourage children to engage with the page. For example, on the Circles spread, they are encouraged to first find all the red circles. Then, they are asked which circles can be eaten. Finally, they are prompted to point to items that aren't circles. Colorful and fun, with delights on every page, this book combines format and content in a way that will keep little ones entertained

and engaged, whether sitting with an adult or turning the pages on their own! The colorful spreads introduce young readers to early concepts in a fun search-and-find format. The padded cover and durable, laminated pages with rounded corners stand up to the most active toddlers. Other books in this series include Search & Find Colors, Search & Find Animals, and Search & Find Numbers. Collect them all.

The children in the town of Willow Creek wait anxiously each week for the little train that brings supplies to Mr. Hermans general store. The conductor, Mr. Mike, always brings special surprises to pass out to the children, and after the supplies are unloaded, he lets the children board the train for a ride. The children find out from Mr. Mike that the

little train, the VonAaron Express, will no longer be coming to their town to bring supplies, and they become very upset. The parents observe how sad the children are, so they come together to figure out how they can get the VonAaron Express back into their town, so they can bring happiness back to their children.

They'll love joining in a game of hide-and-seek as they move the sliders to reveal the dinosaur hiding in every scene. Is it behind the sofa? Or in the shower? Just push the slider to find out! With beautiful artwork from Lydia Nichols, the whole family will enjoy reading and playing with this fresh new novelty series.

Robust board books perfect for engaging the very young

After the phenomenal success of *The Storm Whale* and *On Sudden Hill*, this new book by Benji Davies deals with the emotional topic of losing a grandparent. Subtly told, this beautifully illustrated book tackles a difficult subject with great sensitivity and depth. At the bottom of Syd 's

garden, through the gate and past the tree, is Grandad ' s house. Syd can let himself in any time he likes. But one day when Syd comes to call, Grandad isn ' t in any of the usual places. He ' s in the attic, where he ushers Syd through a door, and the two of them journey to a wild, beautiful island awash in color where Grandad decides he will remain. So Syd hugs Grandad one last time and sets sail for home. Visiting Grandad ' s house at the bottom of the garden again, he finds it just the same as it ' s always been — except that Grandad isn ' t there anymore. Sure to provide comfort to young children struggling to understand loss, Benji Davies ' s tale is a sensitive and beautiful

reminder that our loved ones live on in our memories long after they 're gone. Praise for Grandad's Island: 'Davies ' s elegantly rough illustrations, evoking a child ' s paintings, tap into the imagination of death with little fuss, and his story declines to offer kids instruction on how to feel. Indeed, Grandad ' s Island doesn ' t mention death at all, but is deeply in touch with the ways in which loss and abundance commingle in the mind, correcting and assuaging each other.' The New York Times Book Review 'The creator of The Storm Whale (2014) offers another thoughtful picture book guaranteed to spark discussion...Recommend to young families dealing with loss,

especially those who prefer to gloss over the scientific realities.' Booklist Online 'As with *The Storm Whale*, Davies offers a story of loneliness and togetherness distinguished by understated, deeply felt emotions and a nautical milieu.' Publishers Weekly 'This book is innovative and useful as a way to talk about the idea of loss—without ever referring to actual death. Parents and educators can use this to talk with a child about how it ' s normal to be sad and miss loved ones...Cheerful, brightly colored illustrations make this a fine choice to use with the youngest of audiences. Since death isn ' t directly specified, this title also works for when a child ' s loved one is moving far

away. An excellent vehicle to gently approach the topic of loss. Recommended for collections needing these types of materials.' School Library Journal 'Grandad's Island by British author-illustrator Benji Davies (The Storm Whale; Bizzy Bear series) celebrates a close grandfather-grandson relationship with warmth and style. Whether it's read as a picture book about love, loss or just missing someone who isn't around anymore, it's a charmer. Cheerful cinematic spreads invite young readers into all sorts of intriguing places, from a cozy attic full of curiosities like a turtle teapot, to a vast ship's deck, to the deep jungle of an island paradise.' Shelf Awareness

for Readers 'A resonant, layered tale
that will only gain in texture as its
readers get older.' USA Today
