Get this from a library! Black faces, white spaces : reimagining the relationship of African Americans to the great outdoors. [Carolyn Finney] -- "Why are African Americans so underrepresented when it comes to interest in nature, outdoor recreation, and environmentalism? In this thought-provoking study, Carolyn Finney looks beyond the ...

Black faces, white spaces : reimagining the relationship ...

Carolyn Finney's (UC Berkeley) Black Faces, White Spaces critiques the absence of African Americans from mainstream environmental narratives and movements. She argues that popular perceptions of environmentalism fail to recognize the historical role of race and racism in shaping nature, perpetuating a discourse of a "white wilderness" waiting to be conquered (p. 3).

Black Faces, White Spaces | Carolyn Finney | University of ...

Carolyn Finney's *Black Faces, White Spaces* questions many of the assumptions that environmental movements put forth: agency, individualism, and universal values. By engaging with counter-narratives, Finney shows that these assumptions are reflective of a racialized and class-based power structure that excluded people of color from participating in environmental leisure and profit.
