

Blade Song Colbana Files 1 Jc Daniels

Mercy Thompson, car mechanic and shapeshifter, must face her greatest fears in this chilling

Page 1/153

blade-song-colbana-files-1-jc-daniels

entry in the #1 New York Times bestselling series. The vampire Wulfe is missing. Since he's deadly, possibly insane, and his current idea of "fun" is stalking me, some may see it as no great loss. But, warned that his

Page 2/153

disappearance might bring down the carefully constructed alliances that keep our pack safe, my mate and I must find Wulfe—and hope he's still alive. As alive as a vampire can be, anyway. But Wulfe isn't the only

Page 3/153

one who has disappeared. And now there are bodies, too. Has the Harvester returned to the Tri-Cities, reaping souls with his cursed sickle? Or is he just a character from a B horror movie and our enemy is someone else?

Page 4/153

The farther I follow Wulfe's trail, the more twisted—and darker—the path becomes. I need to figure out what's going on before the next body on the ground is mine. Witches, especially healers like Colleen Antrim, weren't made to

Page 5/153

be warriors. Only a select few were born with the aggressive mentality and the offensive magic needed to protect others. This never struck her as a lack, because Colleen was born to heal and nurture. That was her

Page 6/153

nature. Until it wasn't... When the man she's loved for years is used as a weapon against her, something within her shatters, a fundamental shift that changes the very foundation of who she is. Forced to use her powerful

Page 7/153

blade-song-colbana-files-1-jc-daniels

gifts in ways they were never meant to be used, the very core of who she is shatters. Magic made her. Then it broke her. Now it haunts her...and she doesn't know if she can find her back.

abandoning them, only to return later to steal their babies.

Page 20/153

be read as a stand-alone. For the first time in her life, Kit Colbana's life was going just fine. She had a nice, easy job. She'd managed to escape the not-so-loving attentions of a family who'd rather see her dead than look at her. She had a roof over

Page 21/153

her head and she didn't have to
fight for every little thing she had.
Then she finds herself tangled up
with a green-eyed witch by the name
of Justin. He's looking for
somebody and for some bizarre
reason, he seems to think she can

help. All she has to do is say no, and she can go back to her safe little existence. That's exactly what she needs to do and she knows it. Too bad she's not very good at following her own advice.

There was a time when the woods

near Duva ate girls...or so the story goes. But it's just possible that the danger may be a little bit closer to home. This story is a companion folk tale to Leigh Bardugo's debut novel, *Shadow and Bone*. At the Publisher's request, this title is being
