Bloody Bones

Bloody Bones is sometimes regarded as a water demon haunting deep ponds, oceans and old marl pits (which often became filled with water to form ponds) where it dragged children into the depths, much like the grindylow and Jenny Greenteeth. Children were told to "keep away from the marl-pit or rawhead and bloody bones will have you."

Bloody Bones - Wikipedia

Bloody Bones, often used in conjunction with his friend Rawhead, is a boogeyman of British folklore. Through the years, however, the story of Rawhead and Bloody Bones spread to North America and was figuratively adopted by the South. Due to the exposure, it is believed by many to be an originally Southern legend.
