Bloody Mary is a legend consisting of a ghost, phantom, or spirit conjured to reveal the future.

She is said to

*Page 96/107*

appear in a mirror  
when her name is  
chanted repeatedly.  
The Bloody Mary  
apparition may be  
benign or  
malevolent,  
depending on  
historic variations of  
the legend. Bloody

Mary I (18 February

November 1558),

also known as

Mary Tudor, was

the queen of

England from July

1553 until her

death. She is best known for her vigorous attempt to reverse the English Reformation, which had begun during the reign of her father, Henry VIII.

Mary Tudor was born on February

Palace of  
Placentia in  
Greenwich,

Place ice into a tall  
glass with the  
vodka. Add the  
V8®, lemon juice,  
Worcestershire  
sauce and chilli

sauce then stir well.  
Season to taste with  
salt and pepper and  
garnish with celery.  
One of my favorite  
juices to use in my  
bloody Mary  
cocktails is V8. The  
V8 juice cocktail, as  
it is labeled, is a  
pretty nice blend of  
tomato, celery,  
carrot, and a few

other juices. I'm a huge fan of the savory flavors in my recipes.

Mary I, also called Mary Tudor, byname Bloody Mary, (born February 18, 1516, Greenwich, near London, England—died November 17, 1558,

London), the first queen to rule England (1553–58) in her own right. She was known as Bloody Mary for her persecution of Protestants in a vain attempt to restore Roman Catholicism in England.
