"Big Sister, Little
Sister" by
LeUyen Pham is
a heart warming
book about
relationships
with siblings.

Page 24/103

This book goes through the life of two sisters and tells about how they differ, but also how they get along. It shows that big sister is very neat, but little sister is messy.

Big Sister Little
Sister by
LeUyen Pham -
Goodreads
The Little Sister
is a 1949 novel
by Raymond
Chandler, his
fifth featuring
the private
investigator
Philip Marlowe.

Page 26/103

The story is set in Los Angeles in the late 1940s.

The novel centres on the younger sister of a Hollywood starlet and has several scenes involving the film industry. It was partly inspired

Page 27/103

by Chandler's
experience
working as a
screenwriter in
Hollywood and
his low opinion
of the industry
and most of the
people in it.
