only If the dishwasher is installed in a high-sided unit, the unit must be secured properly If the dishwasher is ...  
At Bosch, we care about your dishes and also about your home safety. The AquaStop System consists of a double-walled feed hose, a mechanical valve in

the feed hose and a visual display.  
Water running out collects in the hose casing and causes a sponge to swell up, which then stops the flow of water mechanically.

Bosch Dishwashers | AquaSensor . The inbuilt AquaSensor uses light beams to detect how dirty your dishes are and prescribes the precise amount of water needed to give them a perfect clean. Recommended for you. Bosch Dishwashers | VarioSpeed® In a hurry? Find out how to use the VarioSpeed®
