

Breaking Tesehs Curse The Real Life Adventures Of The Us Secret Service Agent Who Tried To Change Tomorrow

"Perfection is a rare accomplishment, particularly in American poetry, and the perfection of much of Hollander's work makes it essential reading for anyone who genuinely cares for the craft of poetry. But in our fallen world we seem fated to value power of perfection, and John Hollander's poetry has shown a visionary power just often enough to secure him a place as one of the major figures of our moment." Vernon Shetley, The New Republic

First published in 1951, The Second Scroll is the only novel by A.M. Klein, a complex work rich with biblical, talmudic, kabbalistic, and literary allusions. This scholarly edition annotates and restores the text to Klein's original vision.

A new addition to Reform Liturgy containing an evening service adapted from Gates of Prayer, extensive meditations and a complete new service for selichot, the penitential service in preparation for the Jewish New Year and Days of Awe.

Gathers essays by the Jewish scholar, activist, and theologian about Judaism, Jewish heritage, social justice, ecumenism, faith, and prayer

A treasury of insight from one of the most creative spiritual thinkers in America. At once deeply human and profoundly spiritual, opens wide the gates of Jewish mysticism and spirituality, helping us peel back the layers of meaning that animate our lives.

In poems marked by tenderness and mischief, humanity and humor, Yehuda Amichai breaks open the grand diction of revered Jewish verses and casts the light of his own experience upon them. Here he tells of history, a nation, the self, love, and resurrection. Amichai ' s last volume is one of meditation and hope, and stands as a testament to one of Israel ' s greatest poets. Open closed open. Before we are born, everything is open in the universe without us. For as long as we live, everything is closed within us. And when we die, everything is open again. Open closed open. That ' s all we are. —from " I WASN ' T ONE OF THE SIX MILLION: AND WHAT IS MY LIFE SPAN? OPEN CLOSED OPEN "

The Life and Ideals of Rabbi Avrohom Yaakov HaKohen Pam

English-Arabic dictionary

The inspiring life-story of Rabbi Moshe Feinstein.

Young people in Israel write about their experiences dealing with personal problems, handicaps, fears, and relationships with parents and others.

"In many ways," writes Adrienne Rich in her Introduction, "Muriel Rukeyser was beyond her time - and seems, at the edge of the twenty-first century, to have grasped resources we are only now beginning to reach for: the connections between history and the body, memory and politics, sexuality and public space, poetry and physical science, and much else. She spoke as a poet, first and foremost; but she spoke also as a thinking activist, biographer, traveler, explorer of her country's psychic geography." A Muriel Rukeyser Reader gathers a generous selection of poetry and prose spanning the forty-five years of Rukeyser's writing life. Bringing together works only sparsely anthologized or long out of print, this book is a resource for understanding the range, depth, and originality of this pioneering writer whom the poet Anne Sexton named "Muriel, mother of everyone."

Simchah

Complete Poems

A New English-Hindustani Dictionary

The Metsudah two volume set contains a new commentary on the classic guide to Jewish law written by Rabbi Avrohom Davis.

Everyone wants to be happy, but is happiness enough? It's not. We go to simchas; we wish each other chag sameach; but do we really understand the profound meaning of living in a steady state of joy? How is simchah different from - and far superior to - the more fleeting and elusive emotion of happiness? How can one have simchah even during times of sadness and even mourning? How is simchah cultivated through our holiday celebrations, through such practical mitzvos as tefillin, mezuzah, the laws of family purity, and through such significant rites of passage as bris milah, pidyon haben, and more? In his refreshingly practical style, Rabbi Abraham J. Twerski M.D. has produced an unparalleled work on simchah, the single character trait that may be the secret to success in all aspects of observance and learning. A fast read with a heavy emphasis on how to, this is a Dr. Twerski book you'll be recommending to friends and family for years to come.

Dovid Katz's monumental examination of Lithuanian Jewish Culture is the most comprehensive work ever to appear in English on the cultural, linguistic and spiritual worlds of the Litvaks. This exquisite huge folio volume provides an introduction to Jewish history and culture starting with antiquity and leading up through the rise of Lithuanian Jewry approximately seven centuries ago. It covers traditional rabbinic culture of Ashkenazic Jewry, specifically Lithuanian rabbinic and kabbalistic traditions, the Hasidic-Misnagdic conflict, and the various modernistic 19th and 20th century movements, including Yiddishism, Hebraism, Zionism, Socialism, and Jewish Art. Sections are devoted to the life of the Litvaks in the interwar republics, in emigration centers in America, Israel and around the world, including the post-Holocaust survivors in Eastern Europe. A comprehensive volume, the first book on Lithuanian Jewry which gives equal emphasis on religious and secular Jewish life.

The Insecurity of Freedom is a collection of essays on Human Existence by one of the foremost Jewish thinkers of our time, Abraham Joshua Heschel.

Israel Salanter was one of the most original and influential Jewish leaders and thinkers of Eastern European Jewry in the modern period. One of Salanter ' s most striking innovations was the transformation of the issue of ethics from the domain of theology to the realm of psychology. Immanuel Etkes traces Salanter ' s unique view of Mussar doctrine, especially his introduction of modern psychology to the traditional understanding of personal ethical development.
