The Good Life was a publication that was sent out on a semi-regular basis to a small group of friends/colleagues/subscribers beginning in November 1993 and concluding in September 2002. This book is a compilation of those issues. The subject material is varied and diverse--the bulk of it is a recounting of real life experiences, both mundane and dramatic, frequently analyzed from sociological, philosophical, psychological and humanistic perspectives. It also includes commentary on sociological issues, as well as topical commentary on the events of the day: the O. J. Simpson trial, the death of Princess Diana, and September 11, 2001. Sports topics of the day are discussed, and a smattering of poetry is also included, as well as reader commentary. It is an open-minded and multi-faceted book unlike any other you have read or will read.

"Jones, a trailblazing African American judge, delivers an urgently needed perspective on American history. [A] passionate and informative account" (Booklist, starred review). Answering the Call is an extraordinary eyewitness account from an unsung hero of the battle for racial equality in America—a battle that, far from ending with the great victories of the civil rights era, saw some of its signal achievements in the desegregation fights of the 1970s and its most notable setbacks in the affirmative action debates that continue into the present in Ferguson, Baltimore, and beyond. Judge Nathaniel R. Jones's groundbreaking career was forged in the 1960s: As the first African American assistant US attorney in Ohio; as assistant general counsel of the Kerner Commission; and, beginning in 1969, as general counsel of the NAACP. In that latter role, Jones coordinated attacks against Northern school segregation—a vital, divisive, and poorly understood chapter in the movement for equality—twice arguing in the pivotal US Supreme Court case *Bradley v. Milliken*, which addressed school desegregation in Detroit. He also led the national response to the attacks against affirmative action, spearheading and arguing many of the signal legal cases of that effort. Answering the Call is "a stunning, inside story of the contemporary struggle for civil rights ... Essential reading for understanding where we are today—underscoring just how much work is left to be done" (Vernon E. Jordan Jr., civil rights activist). "A forthright testimony by a witness to history." —Kirkus Reviews

The inspiring true story of 'one of the country's finest educators' (National Review) and the school he changed forever. Under the leadership of highly unorthodox principal Dr. Ben Chavis, Oakland's American Indian Public Charter School was hailed as an 'education miracle' by governor Arnold Schwarzenegger after it was transformed from a failing 'nuisance' into one of the best public middle schools in the nation. This is the story of that transformation and of a man who dared to be different. With his rigorous, no-nonsense approach, Dr. Chavis debunks the myth that poor, minority, inner-city schools have little chance at academic excellence. Focusing on back-to-basics ideals, he has created a structured educational model that, combined with the enthusiasm of his students and teachers, delivers astounding results. In *Crazy Like a Fox*, Dr. Chavis recounts how he did it in his own words and through the stories of the extraordinary young people he's helped.

With insight and humor, Jennifer Richard Jacobson explores a common childhood anxiety and finds a quiet way to boost self-esteem, aided by Abby Carter's expressive illustrations. Andy Shane did not want to be in school. He did not want to be at morning meeting. He did not want to sit up straight on the rug. Andy Shane would much rather be home catching bugs with Granny Webb than sitting in class with the likes of know-it-all Dolores Starbuckle. Any minute, Dolores is likely to shout out, "Ms. Janice, someone's not sitting properly!" or "Ms. Janice, someone's misusing the math materials!" (meaning him, of course). At rhyme time, the words bug and rug get stuck in Andy's throat while Dolores yells out of turn, "Hullabaloo and Kalamazoo!" "I hate school," he blurts out at the end of the day to Granny Webb, who is sympathetic but firm. But when Granny makes a surprise visit to school with a monarch caterpillar, everyone is mesmerized and Andy remembers how much he knows about insects himself. Even Dolores Starbuckle can't help but be impressed!

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados.The Spanish Love Deception is an enemies-to-lovers, fake-dating.

I am a sick man... I am a spiteful man. I am an unattractive man. I believe my liver is diseased. However, I know nothing at all about my disease, and do not know for certain what ails me. I don't consult a doctor for it, and never have, though I have a respect for medicine and doctors. Besides, I am extremely superstitious, sufficiently so to respect medicine, anyway (I am well-educated enough not to be superstitious, but I am superstitious). No, I refuse to consult a doctor from spite.

Count to twenty and take the journey from gathering eggs in the barn to cooking and eating them in this farm-to-table nursery rhyme. Additional features include original illustrations, information about Mother Goose, and an introduction to the illustrator. This book has been written as a learning aid for EFL students (English as a Foreign Language). It is geared towards upper-intermediate and advanced students, and the first half goes over the most common verbs (e.g. come, bring, put, and make) while the second half runs through the most common prepositions (e.g. up, down, with, and on). The phrasal verbs are grouped together to make them sink in quicker. Multiple images are included in every chapter to draw out the various shades of meaning and to make the words easier to memorize. Each chapter has at least one vocabulary table, one micro-text, one short exercise, and several striking images. At the end of the book, the vocabulary is revised in a number of exercises for antonyms and synonyms. For learners who are hungry for extra resources, there is a playlist on YouTube with almost 100 video lessons ('Learn Phrasal Verbs') that focus on the same vocabulary. This coursebook, combined with the videos, is ideal for self-study, but it could also be used in the classroom.
