Flexibility, Access, and Control of Your Money

Everyone faces big questions when it comes to money: questions about saving, investing, and whether you're getting it right with your finances. Unfortunately, many

of the answers provided by the financial industry have been based on belief and conjecture rather than data and evidence-until now. In Just Keep Buying, hugely popular finance blogger Nick Maggiulli crunches the numbers to answer the biggest questions in

Page 21/212

building-your-warehouse-of-wealth

personal finance and investing, while providing you with proven ways to build your wealth right away. You will learn why you need to save less than you think; why saving up cash to buy market dips isn't a good idea; how to survive (and thrive) during a market

Page 22/212

building-your-warehouse-of-wealth

crash; and much more. By following the strategies revealed here, you can act smarter and live richer each and every day. It's time to take the next step in your wealth-building journey. It's time to Just Keep Buying.

OVER 250,000 COPIES IN PRINT,

Page 23/212

building-your-warehouse-of-wealth

WITH A NEW CHAPTER ON THE 2018 TAX CUTS. There's a massive freight train bearing down on the average American investor, and it's coming in the form of higher taxes. The United States Government has made trillions of dollars in unfunded promises for

Page 24/212

building-your-warehouse-of-wealth

programs like Social Security and Medicare—and the only way to deliver on these promises is to raise taxes. Some experts have even suggested that tax rates will need to double, just to keep our country solvent. Unfortunately, if you're like most Americans, you've

Page 25/212

building-your-warehouse-of-wealth

saved the majority of your retirement assets in tax-deferred vehicles like 401(k)s and IRAs. If tax rates go up, how much of your hard-earned money will you really get to keep? In *The Power of Zero*, McKnight provides a concise, step-by-step roadmap on how to get to

Page 26/212

building-your-warehouse-of-wealth

the 0% tax bracket by the time you retire, effectively eliminating tax rate risk from your retirement picture. Now, in this expanded edition, McKnight has updated the book with a new chapter on the 2017 Tax Cuts and Jobs Act, showing readers how to navigate

Page 27/212

building-your-warehouse-of-wealth

the new tax law in its first year of being in effect, and how they can extend the life of their retirement savings by taking advantage of it now. The day of reckoning is fast approaching. Are you ready to do what it takes to experience the power of zero?

Page 28/212

building-your-warehouse-of-wealth

Money. We all want it. We all need it. Unfortunately, many of us may feel as if we never have quite enough of it. Cable TV, healthcare, education, eating out, Internet, vacations, housing, groceries, mobile phones, utilities, debt repayment, insurance, and

Page 29/212

building-your-warehouse-of-wealth

transportation; all of these things cost money and their costs seem to continually increase over time. All the while, salaries stagnate for years, remaining unchanged. As a result, savings accounts suffer and we dig ourselves deeper and deeper into debt. This paints a

Page 30/212

building-your-warehouse-of-wealth

bleak, long-term financial picture: work until you die, struggling the entire way. This result may seem like an inevitable conclusion for many of us. However, we believe you have the power to shape your own financial future. In *The 6 Phases of Building Wealth*, you will

Page 31/212

building-your-warehouse-of-wealth

learn the specific steps to follow in order to improve your financial position. We have made an effort to be as explicit as possible, with clear-cut examples and detailed descriptions. The 6 Phases of Building Wealth will not teach you how to "get rich quick". It does not

Page 32/212

building-your-warehouse-of-wealth

reveal the secret formula for success or show you how to decode the mysteries of the super wealthy. Instead, it describes how to use commonly available financial tools and resources to master your money and achieve Financial Freedom. We do not guarantee

Page 33/212

building-your-warehouse-of-wealth

traveling the road to Financial Freedom will be a quick or easy process, but you will be provided with all of the tools you need to be successful. Young or seasoned, rich or less fortunate, people of all ages, income levels, and stages of life can utilize this knowledge. The

Page 34/212

building-your-warehouse-of-wealth

hope is, one day, all people will be able to enjoy life without having to constantly worry about money. The 6 Phases of Building Wealth is our attempt to make that hope a reality. The book of financial wisdom that your future self will thank you for

Page 35/212

building-your-warehouse-of-wealth

reading For many adults under 40, 'debt' is a four-letter word—something that should be avoided but is all too often unavoidable. In *The Value of Debt in Building Wealth*, bestselling author Thomas J. Anderson encourages you to rethink that.

Page 36/212

building-your-warehouse-of-wealth

You'll walk away from this book with an understanding of how you can use debt wisely to secure the financial future you envision for yourself and your family. Student loans, mortgages, lines of credit, and other forms of debt are all discussed in detail, with a focus on

Page 37/212

building-your-warehouse-of-wealth

smart planning for those who are accumulating assets—and debt—now. Should you rent or buy? How important is liquidity? What is good versus bad debt? How much debt should you have? What debt-to-income and debt-to-asset ratios should you aim for? Fixed debt or

Page 38/212

building-your-warehouse-of-wealth

floating debt? What's the best way of saving for college and retirement? These are big questions that deserve thorough answers because the choices you make now could influence the course of your life. This thought-provoking book will open your

Page 39/212

building-your-warehouse-of-wealth

eyes to savvy financial strategies for achieving your goals faster and with healthier bank accounts.

Explore strategies for smart debt management, explained by one of the nation's top financial advisors

Tax-Free Wealth is about

Page 66/212

building-your-warehouse-of-wealth

tax planning concepts.
It's about how to use
your country's tax laws
to your benefit. In this
book, Tom Wheelwright
will tell you how the
tax laws work. And how

Page 67/212

building-your-warehouse-of-wealth

they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They

Page 68/212

building-your-warehouse-of-wealth

are there to help you
and your business—not to
hinder you. Once you
understand the basic
principles of tax
reduction, you can
begin, immediately,

Page 69/212

building-your-warehouse-of-wealth

reducing your taxes.
Eventually, you may even
be able to legally
eliminate your income
taxes and drastically
reduce your other taxes.
Once you do that, you

Page 70/212

building-your-warehouse-of-wealth

can live a life of Tax-Free Wealth.

The Value of Debt in Building
Wealth

There are only two ways to retire young
and wealthy: * Building a pile of cash large
enough that can ' t be outspent. For

Page 99/212

building-your-warehouse-of-wealth

many, this is an unrealistic task what would take an entire lifetime. And many who have built it have lost it in a market crash or by squandering it * Building multiple sources of recurring “ Forever Cash ” income. These eternal income sources relieve the need for working paycheck to paycheck and create a

Page 100/212

building-your-warehouse-of-wealth

financial fortress safeguarding from market changes. "Forever Cash" also allows for the luxuries of life without worrying about losing the asset. Each and every month this golden goose replenishes your monetary reserves. This is how the wealthy around the world remain wealthy. After stumbling upon these principles Jack Bosch escaped

Page 101/212

building-your-warehouse-of-wealth

the “ hamster wheel of financial hell ” to retire at the age of 37. He now shares these strategies around the world teaching that anyone---no matter the situation, working fulltime starting with little money or assets---can reach financial freedom by following the simple proven strategies laid out in Forever Cash. Packed with real-

Page 102/212

building-your-warehouse-of-wealth

world examples of success and struggle this
inspirational guide to wealth without
quitting your job will show you: * A
completely new way of looking at money *
Why building a mountain of cash to retire
on--- “ your Number ” ---is not working *
Why not all cash is created equal and why
"Forever Cash" is the best. * Why the

Page 103/212

building-your-warehouse-of-wealth

truly wealthy never run out of money and how neither will you. * How to thrive in economic uncertainty. * How to build \$50,000 to \$200,000 in extra income per year and turn that into financial security forever. * How to get out of debt and build a financial future without cutting your credit cards. Forever Cash is a "Real

Page 104/212

building-your-warehouse-of-wealth

World Blueprint"" on how to get from where you are to being financially independent forever in 5 years or less. Did you know that only 1 out of 5 people opt for life insurance? The reason behind this is simple- People don't consider life insurance an essential part of their retirement plan or their life in general.

Page 105/212

building-your-warehouse-of-wealth

Many people have a general perception regarding life insurance. The common one is that life insurance is something to protect their families if they face any financial difficulties. Such a situation is assumed to arise when the breadwinner either retires, passes away, or makes a bad investment. What kind of bad investment

Page 106/212

building-your-warehouse-of-wealth

do people make, though? These can be in form of trusting a friend with a new venture or putting money in the stock market without prior knowledge of expertise. It can also be investing in real estate without the proper know-how property and land value. The unknown risk factor in a line between failure and

Page 107/212

building-your-warehouse-of-wealth

success. It exists whenever a person plans on investing in any business venture. Yet, at times, it is not that complicated. Now, any investment is risky. You only need to learn how to play safe. Rather than foolishly selling everything you have or own, put a portion. The solution is Infinite banking. If you answer yes to any of these

Page 108/212

building-your-warehouse-of-wealth

questions - then, this is the book for you.
-Do you have a 401k, IR, ROTH IRA,
and looking for guaranteed results - or
afraid of loosing its value over time? -Are
you afraid of running out of money in
retirement years? -Does your lifestyle
increase debt instead of decreasing it? -Are
you looking for a way to leave a legacy for

Page 109/212

building-your-warehouse-of-wealth

generations to come? -Do you pay Taxes and looking for a tax-free retirement? Would you rather earn interest than pay it, and eliminate the necessity of paying fees to banks and jumping through hoops to get loans? Are you frustrated with being over-taxed and/or being dependent on a volatile stock market? Do you suspect that

Page 110/212

building-your-warehouse-of-wealth

the ultra-wealthy play by a different set of rules than you do, and that their secrets have been kept just out of your reach? What would it mean to you and your family if you knew these rules to play by them too?

Habits are the key to financial success. It doesn't matter how much money you

Page 111/212

building-your-warehouse-of-wealth

make, save, inherit, or receive if you don't have the simple habits of saving first and spending less money than you have available. Otherwise, your financial picture could be in jeopardy. Utilization strategies are seldom a topic financial professionals educate their clients about when discussing their financial pictures.

Page 112/212

building-your-warehouse-of-wealth

Our industry is usually zeroed in on investment conversations and the majority of financial vehicles that exist in the marketplace today revolve around a risk/return mindset. The thinking is that in order to achieve higher returns, an investor must be prepared to take on more risk in their financial picture. Our focus

Page 113/212

building-your-warehouse-of-wealth

with utilization strategies centers around four main questions concerning a client's cash flow awareness:*

- What is the purpose of your money? To Invest or Spend?*
- What is the time horizon for each purpose? Long Term or Short Term?*
- Are there specific risks you would like to minimize over that time frame?*
- Where

Page 114/212

building-your-warehouse-of-wealth

do you currently store your savings? Getting answers to these questions allows the financial professional to act as an advocate for their clients' best interests. Ultimately, we aim to teach our clients to simply discover what dollars are flowing into your control and what dollars are flowing out of your control. Then,

Page 115/212

building-your-warehouse-of-wealth

strategize so more money flows into your control. The end result will be more money for you to retain and utilize during your lifetime and more money for future generations. Through extensive research and a broad knowledge base on different financial institutions, we believe there are specific types of life insurance companies

Page 116/212

building-your-warehouse-of-wealth

that offer specific types of life insurance contracts with certain beneficial features to a conservative saver. A highly trained financial professional can use these contracts to offer a conservative saver a tremendous alternative to traditional banking methods. Please understand that we are not actually creating a real bank for

Page 117/212

building-your-warehouse-of-wealth

our clients or communicating that life insurance companies are the same as a bank. Rather we are attempting to design a financial vehicle that can mimic certain banking functions in one's personal/business economy - like financing big ticket purchases and controlling where your cash flow is stored.

How to Build Wealth

If you're looking for actionable financial literacy tactics to create generational wealth and prosperity, this is a **GREAT** place to begin. The best way for people of

Page 120/212

building-your-warehouse-of-wealth

color to reach the pinnacles we strive for is through financial literacy. It's the best way to create wealth and pass on a legacy of knowledge and financial freedom to choose our own path and foster a NEW wave of financial confidence and influence. Every chapter of this book dissects how money passes through our

Page 121/212

building-your-warehouse-of-wealth

community, the concepts and principles of wealth building, and most importantly, how to build wealth at every stage in your life. If you're ready to take action, plan your future and generate wealth for your family and community, pick up *A Step-By-Step Guide to Building Wealth from \$1* . Wealth creation insights by the creator of

Page 122/212

building-your-warehouse-of-wealth

the company life-cycle framework known as the CFROI valuation model. Investors searching for companies whose future profitability will far exceed that implied in current stock prices, those in business making decisions to improve company performance, and politicians crafting legislation-all use some form of a wealth

Page 123/212

building-your-warehouse-of-wealth

creation framework. In this book, author Bartley Madden addresses how to think about the complex dynamics in generating wealth and the practical benefits to be gained from upgrading one's wealth creation framework. Throughout these pages, Madden shares six critical insights: A systems mindset focuses not so much on

Page 124/212

building-your-warehouse-of-wealth

the individual pieces of a system, but on how all the pieces work together to achieve the goal envisioned for the system. The systems way of thinking described in Wealth Creation helps to avoid unintended, bad consequences, and to generate insights for leveraging change that produces big gains in wealth

Page 125/212

building-your-warehouse-of-wealth

Economic systems -- the rules and relationships that exist to create wealth by delivering value to customers -- are devilishly complex and therefore solving economic problems requires extensive knowledge. Seen in this light, knowledge growth and wealth creation are two sides of the same coin. A prerequisite to making

Page 126/212

building-your-warehouse-of-wealth

better buy/hold/sell investment decisions and business judgments is an improved understanding of how wealth is created. An especially useful approach described in this book is to connect business firms' financial performance to stock prices via the firms' competitive life-cycle framework. A deeper understanding of business firms

Page 127/212

building-your-warehouse-of-wealth

makes it plain that customers, employees, and shareholders have mutual, long-term interests. In other words, a free-market system geared to serving customers through competition is a system in which participants share the wealth that is jointly created. There is a huge opportunity for sustained, higher economic growth.

Page 128/212

building-your-warehouse-of-wealth

through voluntary initiatives by the private sector. One initiative involves an accelerated implementation of lean management, which was pioneered by Toyota. This is a systems approach that continually purges waste and optimizes the use of resources in delivering value to customers The other initiative concerns

Page 129/212

building-your-warehouse-of-wealth

improved corporate governance. The wealth creation principles discussed in this book offer a blueprint for boards of directors to vastly improve how they fulfill their responsibility to shareholders, and in so doing, improve the performance of corporate America. These ideas have taken shape as a natural outgrowth of a

Page 130/212

building-your-warehouse-of-wealth

commercial research program that began in 1969 at Callard, Madden & Associates focused on how to value business firms. It produced the CFROI (cash-flow-return-on-investment) metric and its related life-cycle valuation model. This work was further advanced at HOLT Value Associates, which was later acquired by Credit Suisse

Page 131/212

building-your-warehouse-of-wealth

in 2002. Credit Suisse HOLT continues the research to improve the valuation tools and related global database that analyzes 20,000 companies in over 60 countries. This system is used by a large number of institutional money management firms worldwide in order to make better investment decisions.

Page 132/212

building-your-warehouse-of-wealth

Sheard redefines the concept of "retirement" as an issue of financial independence that can be achieved at any age. He spells out clearly, as no book has before, exactly how to set up and reach personal financial and lifestyle goals through savvy investing. Designed for boomers now in their peak earning years,

Page 133/212

building-your-warehouse-of-wealth

the book cuts through the complicated formulas and actuarial tables to show readers how to figure out exactly how to plan for and achieve financial independence. Eschewing the traditional approach to retirement at 65, the book acknowledges that boomers are in a hurry. They want to get on with their lives,

Page 134/212

building-your-warehouse-of-wealth

change careers, take sabbaticals -- in short, to pursue their dreams. By abandoning the age criteria and formulating a new approach to retirement, Sheard makes this possible. Using the techniques he made famous while with the Motley Fools, Sheard develops a framework that treats individuals as self-sustaining

Page 135/212

building-your-warehouse-of-wealth

"foundations," living off a well-invested nest egg. He clearly shows the reader what steps to take in order to make financial independence possible. Mr. Sheard gained a broad following at The Motley Fool. His audience will undoubtedly be interested in Money For Life. He is now an investor columnist with the Microsoft Network.

Page 136/212

building-your-warehouse-of-wealth

In order for readers' finances to end up right, they have to start out right by creating a good spending strategy and avoid the cycle of disparity. This title shows how to get in and stay in the cycle of prosperity and at the same time show how to build and preserve wealth to pass on to heirs for generations to come.
