Author Frederic
Mishkin

believes that
the best way to
teach

macroeconomics
is by

continually
exposing

students to
cases and

applications so

Page 18/127

they really understand the underlying theory. As such, this text emphasizes policy and practice in macroeconomics by discussing the most exciting, current, major

policy debates
in the
macroeconomics
field. In
particular, in-
chapter
applications
and Policy and
Practice cases
provide
important
perspectives on
current events,
