that constantly tells
us we're not good
enough, not
beautiful enough,

Page 39/170

and not doing

feel as if we have
nothing to offer. Lies
about who we are

and in the prime of your life. You are current, capable, cosmopolitan, and completely confused. Thrust out of the comfortable existence of a college student and into the cold, hard reality of life in the "real world", you face a whole new

Page 45/170

array of responsibilities. You have to find a job, possibly relocate to a new city, find a place to live, figure out how to pay the bills with the entry-level salary you land, make new friends, and find a church (just to name a few)! The good

Page 46/170

news is that you're not alone. Margaret Feinberg-twentysomething herself-wants you to know that there are tens of thousands of others facing these same challenges. "Our twenties really can be some of the best years of our lives, no matter

God's Power in Me is an interactive 52-day devotional that encourages young readers 8-12 to break free from negative thinking and focus on the positive truths of who God made them to be. Through daily devotions paired with a 90-second affirmation kids can say aloud every

Page 56/170

day, readers will grow closer to God and learn to challenge the personal doubts that might be holding them back. I'm not good enough. I don't deserve to be their friend. And things will never change. Kids tell themselves things like this every day, and popular Bible teacher and speaker Margaret

Page 57/170

Feinberg wants to help them defeat those self-doubts and stop believing the lies—because God only tells us the truth about ourselves, and that truth is we are all meant to have a joyous and powerful life.

Throughout the devotions in *God's Power in Me*, kids will discover: Quick daily

Christianity's best days
are yet to come. His best-

UnChristian, revealed
the pervasiveness of
culture's growing
disregard for Christians.
Now, in *The Next
Christians*, Lyons shows
how a new wave of

Page 62/170

believers are turning the tide by bringing the truth of the Gospel to bear on our changing, secular society.

“Restorers,” as Lyons calls them, approach culture with a different mentality than generations past.

Informed by truth, yet seasoned with grace and love, these believers engage the world by

Page 63/170

drawing it to the sensibility and authenticity of the Christian life. You can be one of these “next” Christians and change the negative perception of Christianity by living a life that is faithful to the Gospel, yet credible and coherent to your friends and neighbors. It's no secret that we are addicted to control. We

Page 64/170

work to control our time, our TVs, our weight, and even our faith lives. We strive for efficiency and quantifiable results. But all that control, we soon find out, is exhausting. And it is contrary to God's plan for us. In *Chaos and Grace*, Mark Galli offers readers freedom from the need for control and order by

Page 65/170

reintroducing them to the mysterious work of the Holy Spirit. In this insightful book, Galli exposes our individual mistakes and the church's foibles and points the way to grace--which, as it happens, usually lies through chaos and crisis. Through Scripture he shows us that this problem is not

Page 66/170

unique to modern
believers and helps us
learn from the stories of
God's people through
the ages as they gave up
and gave in to the
transforming work of
the Holy Spirit.

“ Don ’ t Listen For
the Voice of God. Listen
for His Echo. ” When
God really wants to get
your attention, he

Page 68/170

doesn't just say something once. He echoes. He speaks through a Sunday sermon, a chance conversation with a friend the next day, even a random email. The same theme, idea, impression, or lesson will repeat itself in surprising and unexpected ways until you realize that maybe,

Page 69/170

just maybe, God is at work. According to author Margaret Feinberg, the repetitive nature of a sacred echo gives us confidence that God really is prompting, guiding, or leading. The sacred echo reminds us to pay close attention — something important may be going on here. The sacred echo challenges us to

Page 70/170

prayerfully consider how God is at work in our life as well as in the lives of those around us. The sacred echo is an invitation to spiritual awakening. Margaret writes, “ I want a relationship with God where prayer is as natural as breathing. If God is the one in whom we are to live and move and have our being,

In the polygamous Fundamentalist Church of Jesus Christ of Latter-day Saints (FLDS), girls can become valuable property as plural wives, but boys are expendable, even a liability. In this powerful and heartbreaking account, former FLDS member Brent Jeffs reveals both the terror

Page 78/170

and the love he experienced growing up on his prophet ' s compound—and the harsh exile existence that so many boys face once they have been expelled by the sect. Brent Jeffs is the nephew of Warren Jeffs, the imprisoned leader of the FLDS. The son of a prominent family in the church, Brent could

Page 79/170

have grown up to have multiple wives of his own and significant power in the 10,000-strong community. But he knew that behind the group ' s pious public image—women in chaste dresses carrying babies on their hips—lay a much darker reality. So he walked away, and was the first

Page 80/170

to file a sexual-abuse lawsuit against his uncle. Now Brent shares his courageous story and that of many other young men who have become “lost boys” when they leave the FLDS, either by choice or by expulsion. Brent experienced firsthand the absolute power that church leaders wield—the kind of

Page 81/170

power that corrupts and perverts those who will do anything to maintain it. Once young men no longer belong to the church, they are cast out into a world for which they are utterly unprepared. More often than not, they succumb to the temptations of alcohol and other drugs. Tragically, Brent lost two of his brothers in

Page 82/170

this struggle, one to suicide, the other to overdose. In this book he shows that lost boys can triumph and that abuse and trauma can be overcome, and he hopes that readers will be inspired to help former FLDS members find their way in the world.

Margaret Feinberg looks

at six stories of beauty from the Gospel of John that illustrate how God's beauty is present in our lives. This pack includes one softcover Participant Guide and one DVD. God created us to be drawn toward beauty--created us to pursue beauty so that we might know more about His character, attributes, and work in our world.

Page 102/170

Perhaps no book of the Bible paints a clearer picture of this than the Gospel of John.

Throughout John's Gospel, the beauty of God radiates in the person of Jesus Christ--the one in whom God displayed His whole heart for the world to see. It's within the person of Jesus that we find the invisible attributes of

Page 103/170

God being made visible,
on display like fine pieces
of artwork--to be
enjoyed, celebrated, and
reflected on. This
Participant Guide
includes six sessions that
can be adapted to any
number of weeks, while
the DVD features six live
teaching sessions from
Margaret Feinberg.
Sessions include: 1.
Encountering Jesus (John

beloved teachers and writers, as she sets out on a remarkable journey to unearth God's perspective on food. What you discover will forever change the way you read the Bible--and approach every meal. This groundbreaking book provides a culinary exploration of Scripture. You'll descend 400 feet below ground into the

Page 106/170

frosty white caverns of a salt mine, fish on the Sea of Galilee, bake fresh matzo at Yale University, ferry to a remote island in Croatia to harvest olives, spend time with a Texas butcher known as "the meat apostle," and wander a California farm with one of the world's premier fig farmers. With each stop, Margaret asks, "How do you read these

Page 107/170

Scriptures, not as theologians, but in light of what you do every day?" Taste and See teaches us that: As we break bread, we find the satisfaction of our deepest hungers in the community our souls crave As we share our lives, we taste and see God's fruitfulness When we're tempted to lose heart--and we all will

Page 111/170

a fresh unveiling of Jesus, seeking to restore the supremacy and sovereignty of Christ in a world—and a church—that has lost sight of Him. Christians have made the gospel about so many things—things other than Christ. Religious concepts, ideas, doctrines, strategies, and methods that begin to

Page 112/170

eclipse the beauty, the glory, and the reality of the Lord Jesus Himself. We know a lot about our Lord, but we don't know Him very well. We know a lot about trying to be like Jesus, but very little about living by His indwelling life. Jesus Manifesto provides clarity on the most important points of our faith. It is a prophetic call

Church Today?

Page 133/170

Among the top ten trends that are changing American life, Time magazine recently listed a rising dissatisfaction with organized religion. Though many people today like Jesus, they are growing tired of traditional religious institutions. Even

Page 134/170

those who follow
Jesus aren't so sure
they always like what
Christianity and the
church represent. For
many years, Dan
Kimball would have
agreed, until an
encounter with a
small group of Jesus
followers started him
on a journey that

Page 135/170

challenged him to rethink everything he had ever assumed about the church. In *Adventures in Churchland*, Dan invites you to join him as he uncovers what the Bible really says about the church and reminds us that it ' s more than just

Page 136/170

buildings and
institutions, it ' s a
beautiful mess of
broken people
learning to follow
Jesus together. As you
journey with Dan,
you ' ll begin to see
the church as Jesus
intended it to be: a
community of
forgiven misfits

coming together to

around them with
passion, creativity,
innovation, and
grace. "If you don ' t

Page 143/170

our own. What does it mean to know that Jesus is the Good Shepherd when the only place you've encountered sheep is at a petting zoo? How can you understand the promise of a land overflowing with honey when you buy yours in a bear-

This wry memoir tackles twelve different spiritual practices in a quest to become more saintly, including fasting, fixed-hour prayer, the Jesus Prayer, gratitude, Sabbath-keeping, and generosity. Although Reiss begins with great plans for success ("Really, how hard

Page 155/170

could that be?" she asks blithely at the start of her saint-making year), she finds to her growing humiliation that she is failing - not just at some of the practices, but at every single one. What emerges is a funny yet vulnerable story of the quest for spiritual perfection and the

Page 156/170

reality of spiritual failure, which turns out to be a valuable practice in and of itself. How does God see me? Most of us would answer immediately that God sees us as His beloved children. But underneath that answer, many of us are still afraid that God sees us as unappealing or

Page 157/170

disappointing.

Through this study, women will examine the idea that what we believe about ourselves shapes who we will become. We'll be challenged to exchange our misperceptions for the freeing truth of how God really sees us.

Together we can let go of the false perceptions
