1970-1993

From the Chevrolet Bel Air to the Ferrari Testarossa, this

stunning book showcases the most iconic and important classic cars from every decade since the 1940s. Few things ignite such reverence as a classic car. With more than 250 iconic models from the 1940s to the early 1990s, photographed from every angle, this title is a glorious celebration of the stars in the classic car firmament. Classic Car brings you the story of more than 20 great marques, including household names Bentley, Mercedes, Ferrari, Cadillac and Aston Martin. Its lavish photography reveals every detail in close-up of models that range from the 1940s giant two-ton Daimler DE36, which ferried royals about in style, through to sleek Ferraris from the 1980s capable of smashing the

200mph barrier. It puts you in the driving seat of such icons as the Chevrolet Corvette, the Ford Thunderbird, and the Mercedes 300SL, and brings you the designers of these amazing machines and the story of their manufacturers. This ultimate guide to classic cars further features: - A comprehensive catalog that draw out the key features of each important model, with detailed profiles and specification. - Feature pages broaden the scope of the book, covering everything from the designers and manufacturers who created them to their evolution over the decades. - Stunningly shot DPS images add an extra layer of color and flavor to the book. - Written by award-winning author and expert on all

aspects of motoring, Giles Chapman, Editor-in-Chief of DK's The Car Book, which has sold over 550,000 copies worldwide to date. Updates will include the key models that have grown in popularity since the last edition.

Whether you dream of owning one of these super-cool cars, or you are a collector already, Classic Car is set to become a treasured favorite.

Cadillac FWD, 1990-93

From the first motor cars and classic cars to today's

supercars and Formula 1, this is the ultimate book about the history of the car. Packed with stunning photography, and featuring more than 2,000 cars, Car shows you how cars have evolved around the world over the the last 130 years, and their impact on society as objects of curiosity, symbols of status and luxury, and items of necessity. Extensive catalogues showcase the most important marques and models, organized in categories such as sports cars, convertibles, and city compacts. The book also features virtual photographic tours of some of the most iconic cars from each era such as the Rolls

Royce Silver Ghost, Ford Model T, Lamborghini Countach, and Ferrari F40, while cross-sections of key engines explore the driving force behind them. Lavishly illustrated feature spreads detail the stories of the men, machines, and magic that helped create the car world's most famous marques and made brands such as Porsche, Mercedes-Benz, Aston Martin, and Cadillac household names. If you love cars, then you'll love Car. It is simply a must-have title for all car enthusiasts.
