"Cairo: The City Victorious" is a quirky paean to one of the world's great crossroads. Max Rodenbeck has excavated myriad historical tidbits, such as the waqf, which exploited a loophole in Islamic inheritance law.

Cairo: The City Victorious by Max Rodenbeck

Cairo: The City Victorious combines wide-ranging history and first-person travelogue in an unconventional narrative that bounces easily from the present to the past and back again. ("If the story were to loop and tangle and digress," he writes, "well, that too would be in the character of Cairo.")

Cairo, Egypt: Impressions from the city victorious (2005)

Splendid mosques and palaces survive by the dozen, evoking the long summer from the tenth to the sixteenth centuries when Cairo was the biggest and richest city west of India. But every month a high-rise sprouts to block the view, or else another quaint old house tumbles down on top of its inhabitants.
