understand the characteristics of different childcare approaches and possible interventions.

~~Caring for
Vulnerable Children
– FutureLearn~~
Caring about how we protect vulnerable people,

Page 23/102

about the service we provide and how we go about our work, is increasingly important. The police are now having to respond to more public welfare calls, including missing persons, individuals in mental health crisis, older people with complex

needs, and people with alcohol and drug issues.

~~Caring about the
Vulnerable - Police,
Fire and Crime ...~~

Within an expanding field of study in both undergraduate and graduate nursing curricula, Caring for the Vulnerable

Page 25/102

explores vulnerability from the perspective of individuals, groups, communities and populations, and addresses the implication of that vulnerability for nurses, nursing, and nursing care. What people are saying -
