

Casio Mg 510 Manual

Innovative products bring joy, create new lifestyle and pave the way for related economies - especially, if they have been developed by CASIO. Experience how creativity becomes contribution.

CASIO introduced five midi guitar models in 1987, one of them being the MG 510. Pickups bridge hamburger splittable by a toggle switch located between the guitar volume and tone controls. This particular guitar was used lightly for recreational purposes when purchased, and has sat in the case for most of its life, so it is close to new old stock.

Casio MG 510 Midi Guitar | SynthXL - FREE Service Manual

Hello Casio fans! I've got a FULLY WORKING MG-510 and the original manual. Be careful if you're buying one unseen, cos the caps dry out if the guitar is left un-powered for years and the midi stops working. Played it in a Jesus Jones style band in the 80s, then stopped using the midi and used it as an excellent superstrat.

Review: The Casio Midi Guitar Model MG-510 | Spinditty
