Our world and our churches are neither sinful nor lost, they are dead. This dead world is the one that God engages and into which Jesus invaded with a radically different vision of life. In this groundbreaking work, based on his 211 Yale Beecher lectures, Brian K. Blount helps preachers effectively proclaim resurrection in a world consumed by death. Recognizing that both popular culture and popular Christianity are mesmerized by death and dying, Blount offers an alternative apocalyptic vision for our time--one that starts with a clear vision of life that obliterates death and reveals life's essence. Blount explores the portrait and meaning of resurrection through the New Testament (the Book of Revelation, the letters of Paul, and the Gospel of Mark) and explores how to biblically and theologically reconfigure apocalyptic preaching for today. With three illustrative sermons, this book is an ideal resource to help preachers proclaim the power of resurrection.

When the Spring Princess had led her mother safely outside the castle walls she thanked the Giant of the Great Wind for all he had done to help her. Then the Giantess of the Great River and the Spring Princess hastened back to the wonderful palace of mother-of-pearl set with gold and silver and precious stones, where the Great River runs into the Sea. As soon as she had safely reached there once more the Spring Princess suddenly remembered that she had stayed away from her home in the palace of the Sun Giant longer than the three months she was supposed to stay according to the agreement. She at once said good-bye to her mother and hastened to the home of the Sun Giant, her husband, and to her baby son. Now the Sun Giant had been very much worried at first when the three months had passed and the Spring Princess had not come back to him and her little son. Then he became angry. He became so angry that he married another princess. The new wife discharged the nurses who were taking care of the tiny son of the Spring Princess and put him in the kitchen just as if he had been a little black slave baby. When the Spring Princess arrived at the palace of the Sun Giant the very first person she saw was her own little son, so dirty and neglected that she hardly recognized him. Then she found out all that had happened in her absence. The Spring Princess quickly seized her child and clasped him tight in her arms. Then she fled to the depths of the sea, and wept, and wept, and wept. The waters of the sea rose so high that they reached even to the palace of the Sun Giant. They covered the palace, and the Sun Giant, his new wife, and all the court entirely disappeared from view. For forty days the face of the Sun Giant was not seen upon the earth. The little son of the Spring Princess grew up to be the Giant of the Rain. In the rainy season and the season of thunder showers he rules upon the earth. He sends upon the earth such tears as the Spring Princess shed in the depths of the seas.
