

Catholic Church Architecture And The Spirit Of The Liturgy

The Meaning Of Catholic Church Architecture Theology ...

Amazon.com: Customer reviews: Catholic Church Architecture ...

The altar of a Catholic church may be made of marble. In most Protestant and Anglican churches altars are of wood, symbolic of the table of the Last Supper rather than of a sacrificial altar. The sanctuary is often separated from the body of the church by railings and screens, and, in the case of Orthodox and Byzantine Catholic churches, by an iconostasis which forms a complete visual as well as physical barrier.

Catholic Church Architecture and the Spirit of the Liturgy ...

Catholic Church Architecture And The

Catholic Church Architecture and the Spirit of the Liturgy is a foundational sourcebook for studying, designing, building, and renovating Catholic churches, this book is intended to find the middle of the road between differing and sometimes conflicting theories of liturgical architecture. It will give architects and building committees the theological language and tools to understand the elements of church design by examining past architecture and will help decision makers link these ...
